🏫 Principal's Message for Students and Families

Dear Students and Families,

November brings exciting opportunities at KHS -from winter sports tryouts to new learning experiences and celebrations of growth as we close Quarter 1. Please take time to review upcoming events, important deadlines, and ways to stay connected.

We're also excited to welcome Andrea Drake, KPS Assistant Superintendent, during her visit on Wednesday.

To our seniors, please continue checking the *Class of 2026 School Counseling Information* site for updates on graduation requirements and PGR paperwork.

And to all our students, keep showing those strong *Habits of Work* as we finish the first quarter strong!

Go Trailblazers!

📌 Reminders and Announcements

- Senior Parking Spaces: coming soon, 11/8/25 after SATs weather permitting!
- All students need to complete their PGR requirements including community service hours.
- Seniors remember to check the "Class of 2026 School Counseling Information" google site frequently for updated information.
- As we approach November 1st, we recognize that some members of our community may be facing financial hardship. We understand that unexpected changes in income and/or benefits can create challenges, including potential food insecurity for some families.

  Please know that the Free and Reduced-Price Meal Program continues without interruption. Students who qualify for this program also receive breakfast, and these services remain fully funded and available to all who participate. Families can apply for benefits at any time throughout the school year. Families that experience either a permanent or temporary loss of income, including those currently not receiving wages, are encouraged to reapply for free or reduced-price meals. The link to an application is available through our website or if you would like an application sent to you, please contact Susan Theroux at stheroux@killinglyschools.org.
