HIGH-QUALITY CARE *BENEFITS YOUR CHILD*

Community Connections for Children serves **11,300 children and families** through Child Care Works, and **1,125 early education programs** through Keystone STARS, CACFP, and Connections to Caregiving.

HIGH-QUALITY PROFESSIONAL TRAINING FOR PROVIDERS *LEADS TO* **HIGH QUALITY LEARNING ENVIRONMENTS** FOR YOUR CHILD.

A Commitment TO QUALITY

Early Learning Resource Centers (ELRC) coordinate community engagement efforts in their assigned counties to work toward Pennsylvania's goal of "quality outcomes for all children."

As the ELRC for Regions 9 & 10, Community Connections for Children (CCC) partners with school districts, early childhood education providers, non-profits, and business and community leaders to meet the needs of families with young children.

Community Connections for Children

Our vision is a thriving, growing community where all families are able to access high-quality, affordable, early childhood education, children embrace a culture of learning, stay in school and excel, and businesses are able to recruit and retain educated employees.

We serve the needs of

OUR COMMUNITY

CCC advocates at the local, state and national levels for high-quality, affordable care to be available to all families. Our partnerships find solutions to the trilemma of balancing quality, affordability and availability. We identify gaps in child care services and actively recruit new child care providers.

We serve the needs of

CHILDREN & FAMILIES

We're your one-stop-access to affordable, high quality child care programs and information. You work for your family; allow us to work for you:

Referrals to high quality and Pennsylvania DHS-certified early learning programs

Support in identifying, evaluating, and selecting quality care

Financial Assistance for eligible families through the Child Care Works Subsidy program

Helpline provides information and local resources related to finding and paying for child care and other care-related concerns

Parents as Teachers helps families prepare their child for Kindergarten
