This event is funded through Title I, a federally funded program designed as a supplemental program to ensure that all children have equitable access to quality educational opportunities. The financial assistance provided through Title I enables school districts to better meet the academic needs of children in schools with high poverty levels. Through Title I programs, students receive supplemental instruction in reading, language arts, and mathematics with the goal of reaching proficiency in academic achievement standards and state assessments.

Meet the Equity Team

Who we are and how we support our schools and Title I programming.

Title I Program

What does being a Title I school mean?

Parent & Family Engagement

Review our District PFE policy and provide input on how it can improve. Gain an understanding of what is available and what might meet your needs

Meet Community Partners

Hear from our community partners and hear about the services and supports they can offer during the school day and after school

Share your Input and Feedback

Share your feedback on what PFE activities or events you'd be interested in participating this school year

Light Meal Provided

We will be offering some light refreshments at the start of the meeting.
