

Rebel Reflections

We have an exciting week ahead. Our final home Varsity Football game where we hope to secure a third league championship in a row. Please join us on Thursday, October 30th at 7:30 PM as we take on the San Bernardino Cardinals at home. I would like to also give our Girls Tennis Team a HUGE shoutout for placing 2nd in the Mountain Valley League. They represented us with honor and such grace, as they played every match with integrity and the highest sportsmanship.

This week we are also hosting our annual Fall Festival. All families in our community are welcome to join us for booths and rides from 3:00 PM to 6:30 PM in our quad. We will also be hosting our annual Trunk or Treat event from 5:00 PM to 6:30 PM also in our quad. Please join our Rebels as we celebrate the season along with our many community partners. If you have questions about the events, please reach out to Monique Gutierrez, our ASB Director at GutiMS@fusd.net or at (909) 357-5800 ext. 10327.

On Friday, October 31st, students are allowed to dress up for Halloween if they wish to do so. All costumes need to be school appropriate. This does mean that outfits must fit into dress code, be free from face masks, and not be disruptive to the learning environment. We look forward to seeing our student and staff creativity for the day.

As a reminder we are already in the next grading window, reports are due by November 7th. Please continue to consistently monitor your students Q reports. Our students need that additional accountability to ensure they are able to earn a C or better in ALL of their classes. A.B. Miller's goal is to ensure that every student stays academically eligible for sports and activities, and that they have a high GPA to ensure they can be afforded to maximum amount of financial support when they graduate from us.

For our seniors, Olson Photography will be hosting senior portraits at A.B. Miller from November 12-14, 2025. Senior Portraits are completely optional; there is a session fee and an additional fee to purchase the photos of your choosing. Fliers with detailed information is posted on Parent Square. Portrait dates are organized by last name, but are done as walk-ins; there is no need to make a specific appointment time. For any questions regarding senior portraits, please reach out to Olson Photography directly at (760) 961-9000.

I am here to serve you and our students. Please let me know if there is anything I can do to help you navigate high school. You are welcome to reach out via phone at (909) 357-5800 extension 10117 or by e-mail at barbara.kelley@fusd.net.

IS THE ASVAB FOR ME?

The ASVAB, or Armed Services Vocational Aptitude Battery, is a multiple-choice test used by the U.S. military to assess a recruit's strengths and potential for various military jobs. It's not just a test for military eligibility, but also a tool to guide career exploration in both military and civilian fields. The ASVAB results help the military determine if an individual qualifies for enlistment and, if so, which jobs they might be best suited for.

Here's a more detailed breakdown:

What it measures:

The ASVAB assesses a wide range of aptitudes, including verbal, math, science, and technical skills.

Subtests:

It consists of ten subtests, such as Arithmetic Reasoning, Word Knowledge, and Mechanical Comprehension, which evaluate skills relevant to different military occupations.

AFQT Score:

The [Armed Forces Qualification Test](#) (AFQT) score, derived from four specific ASVAB subtests, determines enlistment eligibility.

Career Exploration:

The ASVAB results, including individual subtest scores, help individuals explore potential career paths within the military and also provide insights for civilian careers [according to the ASVAB Career Exploration Program](#).

Not just for the military:

While initially developed for military use, the ASVAB is now widely recognized for its ability to predict success in various civilian careers as well.

Athletic Director's Message

Fontana A.B. Miller High School is one of four member schools that comprise the Mountain Valley League.

A.B. Miller fields teams in 21 boys', girls' and co-educational sports at two to three different levels (Varsity, Junior Varsity, and Freshman).

To participate in a team, each student athlete is required to maintain at least a 2.0 grade point average. To help our student athletes make the academic grades necessary, A.B. Miller runs an academic accountability program for its student athletes. The staff member who developed and oversees the program is responsible for tracking grades, making parent contact, tutoring, and serving as a liaison between student athletes, teachers, and parents.

If you have any athletics questions, please reach out me at pfeimh@fusd.net or call me at (909) 357-5800 ext. 10114.

Michael Pfeiffer Jr.
Athletic Director

AB Miller Athletics will be using **GoFan** for ALL home games for ALL levels (Freshman, JV, and Varsity). Many of our opponents will also be using **GoFan** for away competitions. Please use the QR code below **GoFan** and purchase your tickets.

Drop Off and Pick Up

Students may enter or exit one of two ways in the morning and at the end of the school day.

From the Cypress Avenue Side of Campus, please enter the parking lot from the northern gate near the tennis courts. Proceed to drop your student off and exit the southern gate. This parking lot is for student parking as well and is locked 15 minutes after school begins in the morning and is unlocked 15 minutes before the end of the school day.

From the Oleander Avenue Side of Campus, please use the northbound drop-off. Please do not sit and park in the morning, rather drop off and proceed north towards Highland Avenue to ensure that traffic keeps flowing. Students then need to walk in or out of the campus through the gates between the library and the Q-building (two-story building). This entrance will be open until 8:40 AM.

Students arriving after the gates are closed, need to proceed to the Attendance Office in the Oleander Avenue Parking Lot. Students check themselves in using our electronic pass system in the Attendance Office and quickly proceed to class, to minimize classroom interruptions and your students learning loss.
