

THE HOWLER

“LEAD THE PACK, FIND YOUR PATH, & HOWL WITH PURPOSE”

A MESSAGE FROM PRINCIPAL JONES

HHuskies,

As we move through this cold and wet week, we've noticed a slight dip in attendance across our campus. While the weather can make mornings a little tougher, we want to remind everyone that consistent attendance remains one of the most important factors in student success. Research continues to show that when students are in school, engaged, and present, they perform better academically and socially. We appreciate our families for encouraging students to push through these chilly days and maintain strong attendance habits.

Even after Attendance Awareness Week has passed, our commitment to improving attendance remains a top priority. We continue to emphasize that every day in class counts, and the relationships, instruction, and feedback students receive are irreplaceable. We ask that families help by scheduling appointments before or after school whenever possible, making sure students are up at the bus stop and ready for school. Finally, by reminding students that attendance is one of the keys to their future success. Together, we can ensure our students build habits that lead to long-term growth and achievement.

This week also marked another round of Red Ribbon Week activities, and our students showed tremendous spirit throughout each themed day. These events not only promote healthy choices but also strengthen our school culture and community pride. It was wonderful to see students and staff come together to celebrate the importance of living drug-free lives while showing off their creativity and Husky pride. The energy throughout the building was contagious, even on the rainiest days!

We also want to celebrate our Girls Flag Football Team for continuing their outstanding season. On Tuesday, they played with heart and determination, remaining undefeated after victories against Weaver and a hard-fought tie with Appling. Their current record of 3-0-1 speaks to their teamwork, discipline, and commitment to representing our school the right way. We are proud of their leadership both on and off the field...true examples of what it means to Lead the PACK and Find Your Path!
