

South Buffalo Charter School

Weekly Newsletter – October 17, 2025

Dear SBCS Families,

Another great week here at SBCS! Even though it was a short week, our teachers certainly worked with the students on five days worth of material! A very special thanks to Ms. Taggart (School Counselor) and her crew for putting on an amazing Mental Health night this past week. Thank you to the families who took part! As always, we want everyone to be aware of any upcoming events and activities. Also, check out the attached PTO Newsletter!

- 3rd and 4th grade parents – Please be sure to send your Glow Dance registration slips back ASAP with payment. Registration slips and money are due by Monday, October 20th.
- Many students have asked about a Fall Pokemon Night. We have been in partnership with 716 Sports Cards and Collectibles, and we will be moving this to a spring event this year. Stay tuned for information about a Spring Pokemon Night later this year!
- As we get into the colder months, school safety remains a top priority. We will have several “Lock Down” drills throughout winter. Whenever we have a drill, SBCS will send notification home to make families aware.
- Our next PTA meeting is October 22nd at 6:00 PM. Stop on by and sign up to join our PTA!
- Spirit Week / Red Ribbon Week will be October 27th-31st! Details will be coming out, but the Halloween Parade and PTO Trunk or Treat will be on the 31st.

Have a great weekend!

SBCS Administration
