

THE HOWLER

“LEAD THE PACK, FIND YOUR PATH, & HOWL WITH PURPOSE”

A MESSAGE FROM PRINCIPAL JONES

Huskies,

This week, our focus on attendance has remained strong even after Attendance Awareness Week wrapped up. We know that everyday counts, and our students' success begins with being present and ready to learn. Teachers have continued to emphasize structure, engagement, and purposeful movement in classrooms to ensure that learning time is maximized. Thank you, families, for your continued partnership in reinforcing the importance of daily attendance and punctuality.

As we move through the progress reporting cycle, we've noticed a lull in students turning in assignments. Now is the perfect time to help your child stay on top of their work and finish the grading period strong. Encourage them to complete all missing or late assignments and to check their grades regularly in Infinite Campus. Students can also use Waggle and Accelerated Reader at home to strengthen their skills and reinforce what they're learning in the classroom.

We also kicked off Red Ribbon Week with a variety of spirited dress-up days and meaningful activities. Our newly formed Student Council, in collaboration with our school counselors, has done an outstanding job leading these efforts and raising awareness about making healthy, positive choices. Their leadership and enthusiasm have truly energized our student body. It's inspiring to see our PACK come together around such an important message.

Our athletic programs have also had a great week! Our Girls Flag Football Team started their inaugural season with an impressive 2-0 record, defeating both Appling and Rutland. Meanwhile, our Football Team continues their strong playoff run and has advanced to the semifinals. We invite all our families and students to come out and support the team tomorrow at 9:00 a.m. at Thompson Stadium as they take on Fort Valley. Let's fill the stands and show our PACK pride to our opponents! H2...You Know!
