Dr. David Roth, Superintendent
PO Box 4768 El Dorado Hills, CA 95762

Dear Dr. Roth,

In accordance with the *Williams Settlement* and California Education Code (EC) Section 1240, the El Dorado County Office of Education (EDCOE) is required to visit schools identified within our county, review specific areas of compliance, and report the results of these visits. Please share this report at a public meeting as required by the Williams Settlement legislation.

California EC Section 1240 requires that EDCOE staff visit schools identified as Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI), or schools where 15 percent or more of the teachers hold a permit, certificate, or other authorization that is a lesser certification than a preliminary or clear California teaching credential. These visits are conducted for the purpose of:

- **Instructional Materials:** Ensuring that students have access to sufficient instructional materials in core subject areas (English Language Arts, English Language Development, Mathematics, History–Social Science, and Science) and, as appropriate, in science laboratory equipment, world languages, and health education, as defined in EC Section 60119.
- **Facilities:** Assessing compliance with facilities maintenance using the Facilities Inspection Tool (FIT) to determine if there are any conditions that pose an emergency or urgent threat to the health or safety of pupils or staff, as defined in EC Section 17592.72, and evaluating the overall safety, cleanliness, and adequacy of school facilities in accordance with EC Sections 17014, 17032.5, 17070.75, and 17089.
- **Uniform Complaint Procedures:** Verifying that the Williams Uniform Complaint Procedures are posted in every classroom and that complaint forms are available in English and other languages as required by the California Department of Education.
- **School Accountability Report Card (SARC):** Confirming that the school has provided accurate data for the annual SARC related to instructional materials and facilities maintenance.

The following table summarizes the aggregate findings from the 2025–26 school year site visits conducted at Oak Meadow Elementary School:

School	Principal	Date of Visit	Sufficient Instructional Materials	UCP Posted in all classrooms	Accurate 2024-25 SARC	School Facilities Overall Rating
Oak Meadow Elementary	Amy Pirkl	9/16/2025	Yes	Yes	Yes	Exemplary

The El Dorado County Office of Education appreciates the collaboration and responsiveness of the Buckeye Union School District throughout this review process. EDCOE remains committed to supporting the district's ongoing efforts to implement the *Williams* Settlement requirements and to ensure equitable access to quality instructional materials and safe, well-maintained learning environments for all students.

Sincerely,

Dr. Ed Manansala,
El Dorado County Superintendent of Schools

Williams Monitoring Eligibility

The California Department of Education (CDE) determines schools eligible for Williams Monitoring every three years. The **2025–27 eligibility list** is now available on the Schools Eligible for Williams Monitoring web page.

According to the CDE, **Oak Meadow Elementary** is on the 2025–27 list.

The 2025–27 list of schools eligible for Williams monitoring is effective through the 2026–27 fiscal year.

Eligibility Criteria
Under California Education Code (EC) Section 1240, schools are identified for Williams Monitoring if they meet any of the following:

- Eligible for Comprehensive Support and Improvement (CSI) under the Every Student Succeeds Act (ESSA) based on the results of the 2023 Dashboard
- Eligible for Additional Targeted Support and Improvement (ATSI) under ESSA based on the results of the 2023 Dashboard
- Have 15% or more teachers without a valid, clear, or preliminary teaching credential in 2022-23

About ATSI Eligibility
The Every Student Succeeds Act requires states to identify schools for Targeted Support and Improvement (TSI) and Additional Targeted Support and Improvement (ATSI) based on student group performance.

- **ATSI** applies to schools **not eligible for CSI** but with one or more student groups performing at levels that meet any criteria used for CSI–Low Performing.
- Determinations are based on **two years of California School Dashboard results**.
- Schools identified for ATSI can exit annually if they no longer meet entry criteria and satisfy specified improvement requirements.

Oak Meadow Elementary is eligible for Williams Monitoring due to eligibility for ATSI based on the Two or More Races student group results in the 2022 & 2023 reporting.
