

ADMINISTRATIVE REPORT

DATE: November 6, 2025
TOPIC: #5.1 - Strategic Plan Update
PRESENTER: Julie Nielsen, Superintendent
REFERENCE TO POLICY/STATUTE: Policy 104

A. PURPOSE OF REPORT

- In 2022, Administration began the work of creating a new Strategic Plan.
- We adopted a classroom to board room process that focused on the Desired Daily Experiences of our students, staff and families.
- Close to 100 staff members, met regularly over the course of the 2022-2023 school year. As part of the work, a new mission/vision statement was created, we reviewed and updated the core values and together, finalized the strategic directions moving into the future.
- Input was received from district student ambassadors, community members and parent advisory groups.
- As we begin year 3, we would like to share information on the districts vision cards and the big district work.
