5th Grade Update

We hope you enjoy a wonderful weekend with your students. Our class had a productive week, and it has been a pleasure to see their dedication as they prepare for the upcoming Gettysburg Address recitations on Friday, November 7th. We encourage continued practice at home to help each student feel confident and well-prepared for their presentation.

As we move into November, please note that it will be a full month of learning and special activities, with events planned for each Friday. Please watch for upcoming communication from teachers regarding Explorer Day and other scheduled events.

This year our 5th grade students have been given the honor of reciting the Gettysburg Address at the all school Veterans Day assembly 11.11.25. We are excited to share and would love to have your join us!

Belts

A quick reminder about uniforms: **students should be wearing belts each day**, including on days when they wear jeans. We've had quite a few students forgetting lately, so please help your student remember as part of their morning routine.

Thank you so much for your support in helping students take pride in being prepared and responsible!
