

Creek View Elementary
Parent and Family Engagement Policy
2025-2026

Parent and Family Engagement (PFE) Policy	
What is it?	Creek View Elementary is committed to our mission to create a safe community where all students learn and grow. We believe that for that mission to be fulfilled, we must: • Work as collaborative teams • Purposefully connects with all stakeholders • Engages all students in meaningful Social Emotional Learning • Promotes a safe learning environment by teaching and enforcing campus and classroom expectations • Encourages and celebrates student growth • Engages in Professional Development to implement best practices • Utilizes data to ensure that all students are learning and receiving the support they need We continue to do this by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education as described in Every Student Succeeds Act (ESSA), Section 1116:
Expectations and Objectives	Parents and families are a child's first teacher. They imitate you from the moment they are born. Therefore, a mutually beneficial relationship between school and home is in the best interest of every child. Our PFE Program expects to foster communication and decision-making with parents about student performance and support collaborative learning. Our objectives are: • Effective two-way communication, in a language that family members can understand between school and home, is linked to a higher completion rate on homework, better attention during instructional tasks,

	increased participation by all parties, and improved interactions and relationships between parents, teachers, and students. ● If a child's parents are more involved in school experiences, the child is more likely to have higher grades, improved behavior, better attendance, higher social skills, and adaption. ● Learning together leads to a better school and home life. ● Being a life-long learner can prevent health issues that often occur later in life.
Funding	Title I funds will be allocated to implement the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	The Texas Education Agency can review all use of funding and activities upon request to ensure they meet the needs of the PFE Program. We will also provide all parents with an outlined plan for how all allotted title funds will be spent. This information will be included in our Campus Improvement plan and reviewed 4 times per year.
Creek View Elementary will:	Provide parents to provide feedback after the Fall and Spring Semester through parent surveys. Parents will also be offered the opportunity to collaborate in the CNA process in the Spring. The CIP Team will utilize this feedback to make necessary adjustments to the needs of our schools. Creek View will distribute the PFE Policy, this document, to parents and the community by: ● Posting it on our campus website, and keeping it up to date ● Distributing printed copies to anyone who requests one ● Having a copy available at all annual meetings ● At the request of the parent, provide the qualifications of their child's teacher ● Conduct surveys to evaluate the effectiveness of PFE events ● Provide training to campus employees on the most effective PFE strategies ● Send out monthly newsletters via school messenger and social media

	Creek View Elementary utilizes the Texas Essential Knowledge and Skills (TEKS) Resource System provides a common set of expectations for what students will know and be able to do at the end of a grade for each subject area. The TEKS form the framework for everything taught at Creek View Elementary. More information is available upon request. Please contact Mike McEver via email mmcever@csisd.org to set up a meeting time.
Forms of Academic Assessments	Creek View Elementary utilizes teacher-made assessments, MAP testing 3X per year, Staar testing for 3rd and 4th graders in the areas of Reading and Math.
School-Parent Compact	Creek View's Title I Compact can be found by clicking on the following link: Creek View Compact '25-'26
Expected Achievement Levels on academic assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/student-assessment-results/staar-performance-standards School tracks each child's growth throughout the year via local assessments (mentioned above).
Ways to Request Regular Meetings	Guardians are invited to bring any suggestions, ideas, or concerns to the monthly parent meetings listed above. However, if they need to meet with the administrators or their child's teacher at another time, they can email that person. We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome.

This document is available online at cv.csisd.org. Hard copies are available at the front office.
