

Wine Pull

A Helpful Guide for Donations

Our Wine Pull is one of the most fun and engaging ways to support St. Mark's. We ask for donations of high-quality, premium bottles of wine. At the gala, guests purchase a ticket for a spin of the wheel—the resulting number corresponds to a mystery bottle from the collection. Your generous donation helps us create a high-value game that directly funds our St. Mark's students.

Donation Details

Your contribution helps us build an exciting collection of exceptional, desirable bottles of wine.

- To ensure an appealing selection for all participants, we highly encourage donations across all varieties, including red, white, sparkling, or rosé.
- We request a minimum bottle value of \$50. A value of \$100 or more is strongly encouraged to create the most exciting collection for our guests.
- You have two convenient ways to submit your wine donation:
 - Campus Drop-Off: Bring your bottle(s) directly to the Advancement Office on campus during regular school hours.
 - Coordinated Pick-Up: To schedule a drop-off or pick-up at an alternate location, please contact one of our Wine Pull Chairs.

Your support is essential to the success of our gala. By donating to the Wine Pull, you join our community of supporters dedicated to St. Mark's mission. Thank you for choosing this exciting way to invest in the future of our students. We appreciate your generosity!
