Complete Your Student Benefits Application Today!

Even though meals are free for all students through [Healthy School Meals for All \(HSMA\)](#), Student Benefits Applications remain crucial for unlocking fee waivers, access to free school and district programs, and additional student support services. Higher participation rates also bring additional state and federal funding for educational programs and resources to our school such as supplemental literacy and math resources, hiring additional staff based on the school's needs, and professional development and training for staff.

Families must submit a new Student Benefits Application every year. If you have any questions regarding the application process, please reach out to Food Services at freeandreduced@jeffco.k12.co.us or 303-982-6916.

SNAP Benefits

Due to the federal government shutdown, SNAP benefits for November may be delayed. **School meals, breakfast and lunch, are still available.** If you need additional food before your SNAP benefits are available, there are local resources that can help:

- Colorado 211: Call 2-1-1- or 866-760-6489 or visit www.211colorado.org
- Feeding Colorado: Visit www.feedingcolorado.org/find-food or email info@feedingcolorado.org

Staff Favorites

As the holidays approach, we love reminding families that we have a resource online where we have asked staff to list a few of their favorite things! Whether it's a sweet treat or a little note to say thank you in the weeks leading up to winter break, we love to encourage families to take a peek at the [Staff Favorites List](#) and be inspired to add a personalized touch to their teacher's holiday cheer this year. If you do not see a staff member listed, know we are asking them to fill it out! You are also welcome to email us and we can remind teachers personally.

Pomona Arts and Humanities Program

Do you know a student who is passionate about the arts? Would they benefit from an arts-integrated, interdisciplinary curriculum that is artistically and academically rigorous, fosters critical thinking and encourages energetic collaboration with their peers? **Pomona Arts and Humanities** (PAH), a special program within Pomona High School in Arvada, CO, is currently auditioning students who would thrive in such an environment. PAH fires students' passion for learning by engaging the creative talents of young artists, while encouraging their critical and creative thinking, all in a diverse and positive environment. PAH exists to inspire and support high school students as they develop a lifelong love for both the arts and for learning. We currently offer the following fine arts focus areas: 2D & 3D visual arts, vocal and instrumental music, theater, culinary arts, and creative writing.

We would love to have you audition for our program! Auditions for PAH will be held on **Monday, December 15th, 4:00-6:00 PM** at the Pomona High School library. For more information about the audition process and program requirements, please visit our [website](#). Click on the "Sign Up For An Audition" tab to reserve an audition time. We would love to have you be a part of the PAH community!
