

# AIHS Weekly Announcements

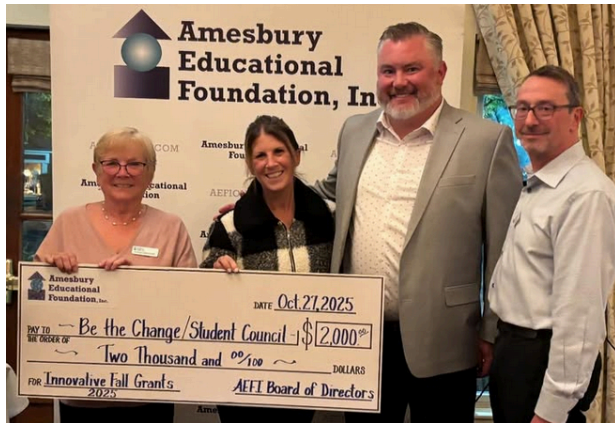

**November 3, 2025**

**School Week 11**

**WELCOME TO THE 6TH NEWSLETTER.**  
 When I started this newsletter on Wednesday I was excited to share some things that happened during the past week. For Example: Our students participated in the PTO's *Trunk or Treat Night* at Cashman School. Twenty of our students came and handed out candy, had fun and made us proud!

Then Monday Night at the Amesbury Educational Foundation's *Evening of Giving* event, Bethany received a big check for the grant she wrote for \$2,000..funds to get the New Student Council up and running! Here she is with Evan Bill Messner and

Linda Cammett, members of the AEFI Board! Exciting moment. This is going to help get Student Council's events going! What a great way to start the week. Great job Beth! Thank you for taking the time to write it!

But as life sometimes happens..things don't always go as planned! On Thursday morning, we heard an alarm...and then a very LOUD alarm.

## WEEK AT-A-GLANCE

- Monday, November 3, 2025
- Tuesday, November 4, 2025
- Wednesday, November 5, 2025

I was originally going to post this picture to remind you to dress your students warmly because the building gets drafty, things changed, by still great picture and we should still dress warm.

Students followed what they learned in drills and went to the church steps..and waited. And our day changed....

### The Firemen Came

Students waited and it was chilly!!!

Then we went to the City Hall and waited....

Kids got warm, some got dismissed but we met Michael Noury's new puppy!!

After much discussion with the authorities, Evan announced there would be no school on Friday....and to stay tuned!!

On Friday it was decided we would have to go to Middle School until our AIHS building could be declared safe...it might take a month. But staff came together to talk about how they could make students feel like it is still their school. They strategized with Superintendent McAndrews. Everyone came back to AIHS and took all the things that make students feel happy!

Beth and Kristin boxed up what kids need. Katherine and Shawn made sure the water cooler is there and where it should go. AND we DO have a candy drawer! And here we are!! Anxiously awaiting your arrival on Monday. The place has changed but the faces and how much we care about all of you is still the same!
