2. Bancroft will provide parents with reports of their child's progress.
3. Bancroft will conduct parent-teacher conferences twice a year, in the fall and in the spring.
4. Bancroft will permit and support parental observations of classes scheduled through the building principal.
5. Bancroft will establish a resource area in the school that will be available to parents. The resources will include information on effective reading practices and helpful hints for parents.
6. Bancroft will maintain a Title I webpage that describes policies, details about the Bancroft Title I staff and program, as well as information on effective reading practices.
7. Bancroft will be informed that they may request additional parental support, input, or workshops through the Title I Program Director.
