A board may adopt a policy requiring the student who is under 21 years of age to attend school until the end of the school year.

After the third unexcused absence of a person who voluntarily enrolls, a district shall issue a warning letter to the person that states the person's enrollment may be revoked for the remainder of the school year if the person has more than five unexcused absences in a semester.

A district may revoke for the remainder of the school year the enrollment of a person who has more than five unexcused absences in a semester, except a school district may not revoke the enrollment of a person under this provision on a day on which the person is physically present at school.

No Penalty	A student whose absence is excused for a reason described beginning at Excused Absences for Compulsory Attendance Determinations, above, may not be penalized for that absence and shall be counted as if the student attended school for purposes of calculating the average daily attendance of students in the district.
Make-Up Work	The student shall be allowed a reasonable time to make up school work missed on the days described above. If the student satisfactorily completes the work, the days of absence shall be counted as days of compulsory attendance. <i>Education Code 25.087(d)</i>
Other Excused Absences	A person required to attend school may be excused for temporary absence resulting from any cause acceptable to the teacher, principal, or superintendent of the school in which the person is enrolled. <i>Education Code 25.087(a)</i>
Notices to Parents	A district shall notify a student's parent in writing at the beginning of the school year that, if the student is absent from school on ten or more days or parts of days within a six-month period in the same school year, the student's parent is subject to prosecution under Education Code 25.093, and the student is subject to referral to a truancy court for truant conduct under Family Code 65.003(a).
Warning Notice	
Notice of Absences	A district shall notify a student's parent if the student has been absent from school, without excuse under Education Code 25.087, on three days or parts of days within a four-week period. The notice must: 1. Inform the parent that: a. It is the parent's duty to monitor the student's school attendance and require the student to attend school; b. The student is subject to truancy prevention measures under Education Code 25.0915; and 2. Request a conference between school officials and the parent to discuss the absences. The fact that a parent did not receive the notices described above is not a defense for the parent's failure to require a child to attend school nor for the student's failure to attend school. <i>Education Code 25.095</i>
Non-Attendance	A parent or person standing in parental relation commits an offense if:
Parent Liability	1. A warning notice is issued;

FEA
(LEGAL)

2. The parent with criminal negligence fails to require the child to attend school as required by law; and
3. The child has absences for the amount of time specified under Family Code 65.003(a).

The attendance officer [see FED] or other appropriate school official shall file a complaint against the parent in an appropriate court, as permitted under Education Code 25.093.

*Affirmative
Defense—Parent*

It is an affirmative defense to prosecution that one or more of the absences required to be proven was excused by a school official or should be excused by the court. A decision by the court to excuse an absence for this purpose does not affect the ability of a district to determine whether to excuse the absence for another purpose.

Education Code 25.093

Student Liability

A child engages in truant conduct if the child is required to attend school under the compulsory attendance laws, and fails to attend school on ten or more days or parts of days within a six-month period in the same school year. Truant conduct may be prosecuted only as a civil case in a truancy court. *Family Code 65.003(a), (b)*

“Child” means a person who is 12 years of age or older and younger than 19 years of age. *Family Code 65.002(1)*

Truancy Courts

The following are designated as truancy courts:

1. The constitutional county court in a county with a population of 1.75 million or more;
2. Justice courts; and
3. Municipal courts.

A truancy court has exclusive original jurisdiction over cases involving allegations of truant conduct.

Family Code 65.004(a)–(b)

*Affirmative
Defense—
Student*

It is an affirmative defense to an allegation of truant conduct that one or more of the absences required to be proven:

1. Have been excused by a school official or by the court;
2. Were involuntary; or
3. Were due to the child’s voluntary absence from the child’s home because of abuse, as defined by Family Code 261.001.

ATTENDANCE
COMPULSORY ATTENDANCE

FEA
(LEGAL)

The affirmative defense is not available if, after deducting the absences described above, there remains a sufficient number of absences to constitute truant conduct.

In asserting an affirmative defense, the burden is on the child to show by a preponderance of the evidence that the absence has been or should be excused, was involuntary, or was due to the child's voluntary absence from the child's home because of abuse, as defined by Family Code 261.001.

A decision by the court to excuse an absence does not affect the ability of the district to determine whether to excuse the absence for another purpose.

Family Code 65.003(c)–(f)

**Truancy Prevention
Measures**

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described below, the district shall initiate truancy prevention measures on the student. [See FED] *Education Code 25.0915(a-4)*

**District Complaint or
Referral**

If a student fails to attend school without excuse on ten or more days or parts of days within a six-month period in the same school year, a district shall within ten school days of the student's tenth absence refer the student to a truancy court for truant conduct under Family Code 65.003(a). [See FED] *Education Code 25.0951*
