SOUTH ADAMS SCHOOLS

eLearning and School Closure Readiness Guide

When weather conditions or other unforeseen circumstances impact the school day, here's what families can expect regarding closures and future plans with eLearning.

- iPads and chargers will go home daily with elementary students from December 1, 2025, through March 20, 2026. If there is a cancellation, a Synchronous (live on-line instruction) eLearning day will be used.
- In the event inclement weather is forecasted prior to December 1, 2025 or after March 20, 2026, **devices will be sent home with students and a Synchronous eLearning day will be implemented if a cancellation is necessary.**
- If devices **were not** sent home before a cancellation, a Synchronous (live on-line instruction) eLearning day **will not** be used. In that case, an Asynchronous (assignments and class information posted to Canvas) eLearning day will be implemented, or a make-up day will be scheduled.

Click **HERE** to review the **eLearning Guide for Families** or scan the QR code to visit our website.

What is Synchronous eLearning?

Student attendance is taken by being present in the Google Meet class session.

Present = attend all of Google Meet
