About this resource:

Sometimes life events cause us to set aside the "lesson plans."

I created this in response to the horrific school shooting in Florida on 2/14/18.
We need tools as educators to be able to respond in scary situations.

It isn't fancy.

A website I also refer to is:

<https://www.schoolcounselor.org/school-counselors/professional-development/learn-more/shooting-resources>

Books I read:

The Pout Pout Fish In the Big-Big Dark by Deborah Diesen

Bear Feels Scared by Karma Wilson

Times like this are also a good reminder to make sure all your parent contacts are up to date.
I'm praying for you as an educator. - Ashley
