Thank you for your support!

If you have any questions, or if you need to make special arrangements to pick up honey,
please contact: Kelly Sweeney at ksweeney@agcharter.org

For office use only: Received _____ Pymt _____ Amount _____

Dear AGCS Community:

The AGCS honey bees were busy this spring and summer pollinating tree blossoms and flowers and collecting nectar. They brought the pollen and nectar back to their hive and turned the nectar into marvelous honey! As you know, honey bees make and store honey in their hives to provide food for the winter when weather conditions prevent them from leaving their hive. Our bees must think it is going to be a long, cold winter because they stored more honey than they need to survive.

Through the hard work and dedication of our Beekeeping Team, Avon Grove Charter School is thrilled to “bee” offering pure raw honey harvested from the AGCS Apiary. The honey is available for a donation of \$10 per jar with a limit of 2 jars per AGCS Family.

Order forms will be accepted beginning October 1st. Orders will be filled as they are received.

All donations benefit the AGCS Apiary. Thank you for your continued support.
