Free Breakfasts & Lunches for all students

By now you have probably heard that all students in Colorado can receive a free breakfast and a free lunch in their school cafeterias because of new state law. It is still VERY important for our school that you register for Free & Reduced Lunches. The majority of our budget for additional instructional services and purchases is based on our Title I funding that comes directly from our Free & Reduced Lunch count. [This link](#) is for you to register for this important information for our school.
