

# MARSHFIELD NOVEMBER 2025

## JUNIOR HIGH

### Renaissance Celebrations

Tuesday, Nov. 25th, will be the MJHS Renaissance Celebration for the 1st Quarter. To qualify for Renaissance, students must have a 2.7 grade point average (around a B-) with no Ds or Fs in the first quarter. Students must have no discipline actions. The Renaissance Celebration for the first quarter allows qualifying students to enjoy donuts, juice, and socialization time.

### 9th Grade Courses

Marshfield High School Counselors will be visiting with **eighth graders** in their Social Studies Classes either on Nov. 6 or Nov. 7. Eighth-grade parents/guardians will be receiving information about ninth-grade course selections. Eighth-grade students had a chance to preview some of this information during JayTime lessons in October. The high school has seven class periods per day. Most ninth-graders will have the opportunity to choose two hours of electives. Be on the lookout for communication from the counselors regarding these course selections.

## Counselor Connection

### **Competency of the Month: Relationship Skills**

Building healthy relationships is a valuable skill that is used throughout students' school day and beyond. This month, students will learn about what healthy boundaries look like and why they matter in friendships and other relationships. Students will also practice communicating their boundaries and respecting those of others.

Students will also learn about resolving conflicts in positive ways. They will learn how to talk through problems, take responsibility for their actions, and find solutions that work for everyone. These skills will help them strengthen friendships and create a more caring school community!
