

SCHOOL WELLNESS COMMITTEE

Anyone interested in participating as a member of the Tri-Valley School District Wellness Committee should contact Craig Strohacker, Director of Operations, at cstrohacker@tvschools.org or (740) 754-1442.

The District will convene a representative District wellness committee that meets at least one time per year to establish goals for and oversees school health and safety policies and programs, including development, implementation, and periodic review and update of this District-level wellness.

The District wellness committee membership will represent all school levels (elementary and secondary schools) and include (to the extent possible), but not be limited to: parents and caregivers, students, representatives of the school nutrition program, physical education teachers, health education teachers, school health professionals, school administrators, school board members, health professionals, and the general public.

A wellness committee meeting is scheduled for 10:00 a.m. on Wednesday, November 5, 2025 at the Tri-Valley District Office.
