Attendance and Introductions

- The meeting was called to order at 12:17 p.m. by Assistant Superintendent of Administration and Human Resources Mrs. Shelby Balser.

Legislative Updates – 89th Legislature

- Record numbers of bills have been filed, with approximately 1,200 related to public education and 50 requiring immediate action.

Discussion Items

Senate Bill 2:

- Discussed planning impacts for the 2026–2027 school year.

House Bill 2:

- Addressed an influx of funding from the Legislature.
- Kerrville ISD received approximately \$2.2 million, with \$2 million designated for teachers.
- Funds acted as a pass-through and did not offset district expenses.

Senate Bill 10 – Ten Commandments:

- Requires schools to display Ten Commandments posters if they are donated.
- Districts are not required to spend district funds for this purpose.
- KISD received donated posters and has begun distribution and maintenance arrangements to hang them in classrooms.
- Initial poster allocation was determined by a random campus draw, beginning with the lowest grade levels.

Senate Bill 13 – Donated Books and Review Process:

- KISD already has a committee in place through the District of Innovation plan.
- All donated books undergo a review process.
- Parents or guardians may request that any book be reviewed.

Senate Bill 12 – Parental Rights:

- Grants parents the right to opt in to several items at the beginning of the school year.
- Includes DEI duties, social transitioning, access to student records, library book checkouts, course syllabi, DOI postings, and parent notifications.

- Parent notifications include health notices, human sexuality curriculum, student club authorization, and counseling services.

Counseling Services – Mrs. Amy Waiser:

- Discussed Tier 2 and Tier 3 counseling procedures.
- The district already complies with parent permission requirements for counseling services.
- Practices include parent outreach for screening permission, crisis response, collaborative communication, and regular check-ins.

Capturing Kids' Hearts (CKH) – Dr. Sonny Mouton

- Every district staff member has been trained in CKH.
- Hal Peterson Middle School received recognition and is working toward the Year 2 Rising Star Award.
- Each class maintains a social contract to guide classroom culture and relationships.
