All licensed contractors are invited to submit the name of their firm to the District for inclusion in the District's list of qualified bidders for Calendar Year 2025 - 2026.

The California Uniform Public Construction Cost Accounting Commission is under the umbrella of the California Uniform Public Construction Cost Accounting Act (CUPCCAA) and provides for alternative bidding procedures when an agency performs public project work by contract.

- Public projects of \$220,000 or less may be let to contract by the informal bidding procedures (PCC22032 b)
- Public projects of more than \$220,001 shall be let to contract by formal bidding procedures (PCC22032 c)

In November of each year, participating districts place an ad in various construction trade journals inviting all licensed contractors to submit the name of their firm to the district for inclusion on the district's list of qualified bidders for the following calendar year. The Fontana Unified School District has completed all the necessary requirements to participate in this alternative bidding process and solicits your firm to register.

Contractors interested in placement on the 2025 Bidding Contractors List are required to be registered with the State of California Department of Industrial Relations and have a current license, both of which are subject to verification through the State of California Department of Industrial Relations and the Contractors State License Board.
