THE GOVERNOR PROCLAIMS!

Sunday, November 2, 2025, to
Saturday, November 8, 2025
as
"United States Virgin Islands STEAM
Education Week"
and

November 8, 2025

National STEAM Day

The National STEM/STEAM Day is observed every November 8th and is dedicated to encouraging learners to explore their interests in the fields of science, technology, engineering, arts, and mathematics, through fun and engaging ways. This day helps students and educators to be aware of the STEM/STEAM all around them and how it can impact their lives and the nation's economy! The National STEM/STEAM Day is solely focused to help students develop or rekindle their passion for innovation in the fields of STEM/STEAM (nationaldaystoday.com, 2022).

JUST A FEW WAYS TO OBSERVE NATIONAL STEM/STEAM DAY AT HOME OR SCHOOL

1. Engage in STEM/STEAM.
2. Document activities.
3. Share your experiences.

- Simple science projects.
- Incorporate robotics.
- Explore arts and architecture
- Encourage design thinking and problem solving.
- A glimpse of coding and technology.
