

October 31, 2025

Dear Cheltenham Community -

I'm writing this afternoon to alert you to a power outage that occurred at a number of our buildings this afternoon. Around 1:55 p.m., power went down at EPIC, Cedarbrook East, Cheltenham Elementary and Myers Elementary. At this time, the source of the outage is unknown.

I'm pleased to say the outage lasted only a few moments before electricity returned to Cedarbrook East, Cheltenham Elementary and Myers Elementary. The power at EPIC returned at about 2:20 p.m., though students had already left for the day prior to the outage.

We appreciate your patience and understanding as we work to ensure our schools remain safe and fully operational. Thank you for your continued support and for entrusting us with your children's education and well-being.

Respectfully,

Dr. Brian W. Scriven
Superintendent of Schools
