HELLO FALL

Our new reading challenge is underway. Please remember that students can log minutes for reading independently, with a family member or listening to an audio book. PreK, Kinder and 1st can also log minutes for practicing letters, sounds and weekly heart words. We can't wait to see how many minutes we will log for October.

BOOK FAIR IS COMING SOON!

Our book fair will be November 7th - 14th. Would you like to volunteer? Go to our Sign Up Genius to see if there are any times that you are available to help.

VETERAN'S DAY PROJECT

In honor of Veteran's Day on November 11th, we are creating a display to showcase the veterans in our families and express our appreciation. More information about how to create your stars will be sent home soon with a gold star. Students are welcome to add a picture or draw one to honor their family member. Please do not use original photos. Please add your child's name and teacher to the back so that they can be returned when we take down the display. If you need more than one star, please let us know!

OCTOBER

Monthly Focus:

During the month of November, the focus for classroom counseling lessons will be gratitude and coping skills. We will use the Character Strong Curriculum.

GRATITUDE

is choosing to appreciate the people and things in our lives.

BE Well

Practicing Gratitude, Honesty, and Creativity

Gratitude Sing-Along

Calm & Strong Kids Tip:

Sometimes our children can feel overwhelmed and stressed and one thing we can teach them to do is PAUSE and think of three specific things they are grateful for in that moment. This simple act of a mindful appreciation interrupts the stress cycle, helping their brain to pause rumination and activate a calmer nervous system response, strengthening your emotional resilience over time. Try it for your child and try it for yourself.

PurposeFull People

Gratitude Overview

We are looking forward to focusing on Gratitude this month! One way to think about Gratitude is "choosing to appreciate the people and things in our lives." Practicing Gratitude can increase our well-being and even our happiness!

Gratitude is 1 of 3 traits we will focus on throughout the year that helps students **Be Well**. Across grade levels, students will be developing skills like emotion regulation, positive self-talk, and stress-management.

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Gratitude. Here are 2 "PurposeFull Pursuits" you can complete together!

#1 What are some small, specific things that you are Grateful for? Maybe it is your favorite water cup, the way the cat sleeps on the chair, or when your grandma bakes banana bread. Spend some time as a family trying to think of at least 10 small things that you have Gratitude for and then choose to notice them this week with a smile.

#2 Review Gratitude as a family! Remember that Gratitude is choosing to appreciate the people and things in our lives. Find a place in your home to display a glass jar. Cut up small slips of paper and place them next to the jar. Use the jar to collect special people, places, events, and memories that your family is thankful for. Find a time each week to add slips of Gratitude to the jar and assist students in writing or drawing gratitude as needed. Having a gloomy day or a challenging time as a family? Pull out the slips of Gratitude and read them aloud together as a reminder of your Grateful moments.

BUILD PEARLAND

VISITORS

Now that our students have settled into the new school-year routines, we are happy to welcome lunchtime visitors again! Please keep in mind that seating is limited and student safety is our top priority.

As a reminder, school-aged siblings are not able to attend school-day activities, including lunch visits, classroom parties, and grade-level or classroom events. Lunch visitors who are not attending with a parent must also be listed as an emergency contact. These practices help us keep students safe, comply with fire codes, and minimize lost instructional time.

We appreciate your understanding and support in helping us maintain a safe, focused learning environment. If you have questions, please contact the school office

ATTENDANCE

School attendance is critical for the quality of your child's education. A child who misses a day of school misses a day of learning opportunities. Should it be necessary for your child to miss a day of school, you must submit your child's absence online or send a written and signed note stating the reason for the child's absence within 3 days of the students return from the absence with the information listed below.

- Student's first and last legal name
- Grade Level
- Student ID #
- Specific dates of the absence
- Specific reason for the absence
- Parent signature

If a doctor's note is submitted, please make sure that it covers ALL days of the absence. If not, please send an accompanying parent note with the above-listed information. *Emails will no longer be accepted. Please use this link to complete online form.* [Absence link](#)

Students are required to attend class 90% of the time it is offered to be able to receive credit and be promoted to the next grade level. All absences, regardless of excused or unexcused, including leaving early and coming in late, count towards the 90% rule.

Please help make your child's education a top priority by building a habit of daily attendance.
