In the words of a Fairview parent:

*"I just want to give **Coach Feeney** a big shout-out. With over 100 kids on the mountain bike team, plus all the volunteer coaches, plus all the families, I can't even imagine how much time he is having to dedicate to his coaching role. And he is doing it so gracefully! His communication is outstanding—he answers questions, encourages the kids, and keeps the positive energy flowing. In addition to his enthusiasm for coaching, I also appreciate that he has created a safe space for my freshman daughter to feel comfortable at Fairview."*

Thank you to our Student Council, National Honor Society, teacher **TJ Strasser** (Student Council Sponsor), teacher **Susie Bean** (National Honor Society Sponsor), assistant principal **Ross Sutter** (Activities Director), and all of our student clubs, teams, and leaders for providing our families with an AMAZING and magical Trick or Treat Street experience! BVSD Board Supports Ballot Measures to Extend Free Meals Beyond 2025

This November, voters will consider two ballot measures, Propositions LL and MM, that aim to secure funding to continue the Healthy School Meals for All (HSMA) program, which was originally approved by voters in 2022, via Proposition FF.

High participation and rising food costs statewide have required a funding adjustment to continue the program, which has provided free, nutritious meals to all students since the 2023-2024 school year. Since school meals have been free, lunch participation increased by 40% and breakfast by 90% district-wide. [Read more.](#)

[El Consejo del BVSD apoya las medidas electorales para extender las comidas gratuitas más allá de 2025](#)

Este noviembre, los votantes considerarán dos medidas en la boleta electoral, las Propositiones LL y MM, que tienen como objetivo asegurar el financiamiento para continuar el programa de Comidas Escolares Saludables para Todos (HSMA, por sus siglas en inglés), que fue aprobado originalmente por los votantes en 2022, a través de la Proposición FF.

La alta participación y el aumento de los costos de los alimentos en todo el estado han requerido un ajuste de fondos para continuar con el programa, que ha proporcionado comidas nutritivas y gratuitas a todos los estudiantes desde el año escolar 2023-2024. En el BVSD, la participación en los almuerzos escolares aumentó un 40% y en los desayunos un 90% desde que las comidas son gratuitas para todos los alumnos. [Leer más.](#)
