

LHS National Honor Society

HOW CAN MY STUDENT JOIN NHS?

10th, 11th, and 12th grade students are invited to submit an application at the beginning of every spring semester (January) if they meet the gpa requirement of 97.0
Once their application is submitted, it is reviewed by an advisory council and announcements of membership are received via email by the student.

HOW SHOULD MY STUDENT PREPARE FOR THE APPLICATION PROCESS OF NHS?

Applications are evaluated on the 4 pillars of national honor society (scholarship, service, leadership, and character).
Encourage your student to spend time moving forward, getting involved in various leadership and service opportunities prior to the application process.

if a student receives a referral, their assistant principal will disclose this information on their application.

WHO IS THE ADVISER FOR NHS AND HOW CAN I CONTACT THEM?

Ms. Kim (AP English Language & Composition teacher) is the NHS adviser. If you have additional questions, please email her:
alexandrakim@misdmail.org

EXPECTATIONS OF CURRENT NHS MEMBERS

- Maintain a 97 gpa or above (on the 100 point scale)
- Complete 10 service hours each semester (1 hour, each semester, being completed with NHS).
- Complete 6 service hours during the summer

LHS National Honor Society

NHS MEETINGS

NHS meets on the first Wednesday of every month in the Legacy High School library promptly at 3pm.

Students are encouraged to get additional details through the Legacy High School Canvas page.
