

GAP Newsletter

November 2025

Hello Everyone,

We've been having a fantastic time over the last couple of months during our weekday activities and Friday GAP! It's been great seeing so many happy faces.

As we move into November, we have a few important reminders.

Please take a moment to check the Lost and Found bins at your specific site and at the Friday GAP site. We're starting to accumulate a lot of items! Let's get them back to their owners. Remember that each site will have a newsletter pertaining to that specific location. These will be available at the beginning of the month, so be sure to grab one for all the details! Just a reminder that we will be closed for Thanksgiving Break from November 26th to the 28th.

We hope you have a wonderful November and a very happy Thanksgiving!

Meet Natasha (Seltice Morning Coordinator)

I am a Para Specialist (Exploratory) at Seltice Elementary School. In Exploratory, the kids learn how to use a computer, they learn how to type, we do art projects and some science projects. It is fun do get to do so many different activities with the kids. This is my 3rd year at GAP. It has great getting to know the kids at the different schools on Fridays. In my spare time, I watch my 2 boys play sports, which keeps me very busy. In the summer time my family goes camping.

Fave Child's Book: "The Giving Tree".

Fave Color: yellow, purple, and blue.

See page 2 for more information

Meet Perdy

We're excited to announce that we are participating in the Adopt a Cow program through Discover Dairy again this year!

Please meet Perdy!

She is a Holstein and lives on Clark Family Dairy, the same farm we adopted from last year. We'll be setting aside one Friday a month to learn more about Perdy, her life on the dairy, and how milk gets from the farm to our tables.

Want to follow along at home? We've added a new tab to our webpage! You can now see what we are learning each month and find instructions on how to download the app so your family can follow Perdy's adventures, too!

Meet Your Calf

Perdy

Birthday:
September 6, 2025

Gender:
Heifer (Female)
