MSHSL ELIGIBILITY BROCHURE

Students: Your participation in high school activities is dependent on your eligibility. PROTECT that eligibility by reviewing with your parent(s)/guardian(s) this summary of Minnesota State High School League rules which govern your participation. Complete regulations are found in the MSHSL Official Handbook which is available at each member high school and which is also posted on the MSHSL Web site: www.mshsl.org. (ii) Family Residence Change: The student transfers from one public school district attendance area to another public school district attendance area at any time during the calendar year in which there is a change of residence and occupancy in Minnesota by the student's parents. If the student's parents move from one public school district attendance area to another public school district attendance area, the student will be eligible in the new public school attendance area or a non-public school if the student transfers at the same time the student's parents establish a new family residence. (Please see Definitions for further explanation.)

OR

If the parents move from one public school district attendance area to another public school district attendance area, the student shall continue to be fully eligible if the student continues enrollment in the prior school for the balance of the current marking period or for the balance of the academic school year. If the student elects either of the current enrollment options above, the student will be fully eligible upon transfer to the new school in the public school district attendance area where the student's parents reside or a non-public school. A student who elects not to transfer upon a parent's change in residence shall continue to be eligible at the school in which the student is currently enrolled.

(iii) Court Ordered Residence Change for Child Protection: The student's residence is changed pursuant to a child protection order placement in a foster home, or a juvenile court disposition order.

The parents must provide proof of joint, legal physical custody as identified in the parents' divorce decree to the activity director in the school the student attends.

Please Note: This provision can only be applied the first time the student moves between divorced parents and changes schools and only if the specific requirements of this provision are met.

(v) Move From Out of State: If a student's parents move to Minnesota from a state or country outside of Minnesota and if the student moves at the same time the parent establishes a residence in a Minnesota public school district attendance area, the student shall be eligible at the first school the student attends in Minnesota.

(i) Students are immediately eligible for competition at the non-varsity level.

A student who was not in good standing at the time of transfer shall be ineligible until the penalty from the previous school has been served.

(iii) Each time a student transfers and the conditions of the transfer do not meet any of the provisions of Section (B) (above), the student

will be ineligible for varsity competition for a period of one (1) calendar year beginning with the first day of attendance at the new school. For example, if a student while serving a one-year transfer suspension transfers to another school and none of the provisions of Section 1.B(i)-(v) (above) are met, an additional one-year suspension will be applied. The student will begin serving the additional

one-year suspension immediately following the completion of the previous one-year suspension.

(i) Retain full eligibility for varsity competition for one (1) calendar year at the school where the student was enrolled prior to the transfer after which time the student shall become fully eligible at the school to which the student has transferred; or

(ii) Be eligible only at the non-varsity level in the school to which the student has transferred for one (1) calendar year.

(iii) Participation is defined as practice, training, scrimmaging, tryouts and competing.

E. **Return to Former School Policy:** A student who transfers from one MSHSL member school to another MSHSL member school is ineligible for varsity competition for a fifteen (15) calendar day period from the first day the student attends practice in the fall or attends classes in the new school for the first time.

(i) Upon transfer, the student will be ineligible at the former school and may practice at the new school but may not compete in any varsity activity at the new school.

(ii) The student will retain full eligibility at the former school if the student chooses to return to the former school during the fifteen (15) calendar day period.

(iii) If the student remains at the new school, following the fifteen (15) calendar day period, the student will become eligible at the varsity level only when the student has fully met all of the transfer criteria and has been deemed to be eligible both by the new school and the League office.

(iv) If any of the transfer criteria has not been met, the student will be ineligible for varsity competition at the new school and must then choose between varsity eligibility at the former school or JV eligibility at the new school.

(v) The student may elect to decline the fifteen (15) calendar day period to become eligible to compete at the varsity level at the Receiving School once the school administration determine the student has met all of the varsity participation eligibility criteria.

(vi) A student may utilize this provision one time per 365 calendar day period.

F. **Fine Arts:** Transfer students do not have to serve a transfer suspension for participation in Fine Arts programs.

G. **Due Process:** The Minnesota State High School League Board of Directors has established a due process procedure for a student or parent who believes the bylaws of the League have been misinterpreted by the student's school administrator(s) who are charged by the school to determine the student's eligibility. A student who represents the student's school in competition between member schools at the varsity, junior varsity or sophomore B-squad level must be fully eligible to do so, and the student or the student's parents who wish to contest a school's failure to certify the eligibility of a student may do so as identified in the Transfer Student Eligibility Review Process found on page 25 of the most current League Official Handbook.

For specific, up to date information related to the Transfer Rule or the Transfer Review Policy, please check www.mshsl.org, or check with your Activities Office.

CONCUSSION MANAGEMENT RECOMMENDATIONS FOR MSHSL ATHLETES

Baseline Concussion Testing is offered at each high school. Contact your Activities Office for information if interested.

Acute injury

When a player shows any symptoms or signs of a concussion, the following should be applied.

1. The player should not be allowed to return to play in the current game or practice.
2. The player should not be left alone, and regular monitoring for deterioration is essential over the initial few hours after injury.
3. The player should be medically evaluated after the injury.
4. Return to play must follow a medically supervised stepwise process.

A player should never return to play while symptomatic. "When in doubt, sit them out!"

Return to play protocol

Return-to-play decisions are complex. An athlete may be cleared to return to competition only when the player is free of all signs and symptoms of a concussion at rest and during exercise. Once free of symptoms and signs of concussion, a stepwise symptom free exercise process is required before a player can return to competition.

- Each step requires a minimum of 24 hours.
- The player can proceed to the next level only if he/she continues to be free of any symptoms and or signs at the current level.
- If any symptoms or signs recur, the player should drop back to the previous level.

The return to play after a concussion follows a stepwise process:

1. No activity, complete rest until all symptoms have resolved. Once asymptomatic, proceed to level 2.
2. Light aerobic exercise such as walking or stationary cycling, no resistance training.
3. Sport specific exercise—for example, skating in hockey, running in soccer; progressive addition of resistance training at steps 3 or 4.
4. Non-contact training drills.
5. Full contact training after medical clearance.
6. Game play.

The final return to competition decision is based on clinical judgment and the athlete may return only with written permission from a health care provider who is registered, licensed, certified, or otherwise statutorily authorized by the state to provide medical treatment; is trained and experienced in evaluating and managing concussions; and is practicing within the person's medical training and scope of practice.

Neuropsychological testing or balance testing may help with the return to play decision and may be used after the player is symptom free, but the tests are not required for the symptom free player to return to play.

2025-2026 MSHSL ATHLETIC ELIGIBILITY STATEMENT

Statement to be signed by the participant from a MSHSL member school and by the participant's parent or guardian

- I have read, understand, and acknowledge receiving the 2025-2026 MSHSL Eligibility Brochure, which contains only a summary of the eligibility rules of the Minnesota State High School League. I understand that a copy of the Official Handbook of the MSHSL is on file with the senior high school athletic director and or principal and that I may review it, in its entirety, if I so choose. The Official Handbook and MSHSL bylaws are also posted on the MSHSL Web site: www.mshsl.org under Handbook.
- We, the student and parent, have reviewed Concussion Management Recommendations for MSHSL Athletes contained in the Eligibility Brochure and on the following website: www.cdc.gov/concussion
- I understand that once I sign the eligibility statement all eligibility rules apply:
 - Twelve (12) months of the year;
 - Whether I am currently participating or not;
 - Continuously from the first signing of the statement through the completion of my high school eligibility.
- Regardless of my age I agree to follow all of the MSHSL Bylaws in order to be eligible to represent my school in League-sponsored activities.
- I further understand that a member school of the MSHSL must adhere to all of the rules and regulations that pertain to the League athletics/ activities a school may sponsor and that local rules may be more stringent, and penalties more severe, than MSHSL rules.

STUDENT CODE OF RESPONSIBILITIES

- As a student participating in my school's interscholastic activities, I understand and accept the following responsibilities:

 - I will be fully responsible for my own actions and the consequences of my actions.
 - I will respect the property of others.

While a student not in good standing, a student may not serve any penalty for MSHSL Bylaw violations.

- Informed Consent:** By its nature, participation in interscholastic athletics includes risk of injury and the transmission of infectious diseases such as HIV, Herpes and Hepatitis B and others. Although serious injuries are not common and the risk of HIV transmission is almost nonexistent in supervised school athletic programs, it is impossible to eliminate all risk. Participants have the responsibility to help reduce that risk. Participants must obey all safety rules, report all physical and hygiene problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily. PARENTS, GUARDIANS OR STUDENTS WHO MAY NOT WISH TO ACCEPT THE RISK DESCRIBED IN THIS WARNING SHOULD NOT SIGN THIS FORM. STUDENTS MAY NOT PARTICIPATE IN AN MSHSL-SPONSORED ACTIVITY WITHOUT THE STUDENT'S AND PARENT'S/ GUARDIAN'S SIGNATURE.
- I consent to the athletic trainer or coach treating injuries and authorize them to discuss those injuries with and release any applicable medical information or records relating to those injuries to coaches, school staff and other qualified health care providers as deemed necessary within their scope of practice.
- I am aware that Baseline Concussion Training is offered through the Athletic Trainer at the high school.
- I further understand that in the case of injury or illness requiring transportation to a health care facility, that a reasonable attempt will be made to contact the parent or guardian in the case of the student-athlete being a minor, but that, if necessary, the student-athlete will be transported via ambulance to the nearest hospital.
- By signing this we acknowledge that we have read the information contained in the MSHSL Eligibility Brochure and Statement.
- I/we acknowledge the electronic signature confirms I/we have read and reviewed the information contained in the contents of the Eligibility Brochure and Statement. I/we also acknowledge this electronic signature has the same legal effect, validity, and enforceability as a signature in a non-electronic form.

The student/parent authorizes the release of documents and other pertinent information by the school in order to determine student eligibility. In addition, the student/parent understands and agrees that public information shall include names and pictures of students participating in or attending extra-curricular activities, school events, and High School League activities or events.
