AGENDA
MINERSVILLE AREA SCHOOL DISTRICT
Special Meeting
November 4, 2025

1. Motion to authorize the Solicitor to take all steps necessary to defend the District's interest when named as a defendant in a tax appeal, including retaining the services of an appraiser, when it has been determined that the loss of tax revenue will exceed reasonable costs of litigation.

2. Be it recommended, the Board approves temporary suspension of all payments to cyber or charter school programs, other than the Minersville Area Virtual Academy (MAVA), to ensure no loss or shortfall in current district operations, wages, building maintenance or student health and welfare needs. This suspension of payment shall remain in effect until the next stated board meeting, where the Board may lift this suspension by taking into consideration whether the Commonwealth of Pennsylvania budget impasse is resolved, and state funding payments to the District resumed.

MM/bjc

DISCUSSION ITEMS November 4, 2025

1. Roof Project – QES presentation
2. Line of Credit
