The Board applies these procedures to all speakers, and does not discriminate based on the identity of the speaker, content of the speech, or viewpoint of the speaker.

The Board is also committed to conducting its meetings in a productive and efficient manner that assures that the regular agenda of the Board is completed in a reasonable period of time, honors the voluntary nature of the Board's time and using that time efficiently, and allows for a fair and adequate opportunity for input to be considered. Consequently, public participation at Board meetings will be governed by the following principle:

In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public participation at every regular meeting of the Board and publish rules to govern such participation in Board meetings.

REVENUE SHARING AGREEMENT

(DELAWARE NORTHWEST NCA AREA DEVELOPMENT)

This REVENUE SHARING AGREEMENT (the "Agreement") is made and entered into this ____ day of _____ 2025, by and between the DELAWARE NORTHWEST NEW COMMUNITY AUTHORITY (the "NCA"), a new community authority and body both corporate and politic, duly created and existing under and by virtue of Ohio Revised Code Chapter 349, and the DELAWARE CITY SCHOOL DISTRICT, a public school district organized and existing under the laws of the State (the "School District" and together with the NCA, the "Parties"), under the circumstances summarized in the following recitals.

RECITALS:

WHEREAS, the City of Delaware (the "City"), pursuant to a Petition filed by the developers of the NCA's new community district (the "District"), approved the formation of the NCA to facilitate the development of the northwest portion of the City by providing funding for the construction and maintenance of public infrastructure improvements and providing funding to the School District to compensate the School District fo in accordance with negotiations preceding the execution of this Agreement, the NCA and the School District are fully aligned with the mutual understanding of, and common belief in, the importance of partnering to successfully implement the vision for the NCA's new community district (the "NCA District") to the community's long term economic competitiveness and the preservation and enhancement of their respective tax bases; and

WHEREAS, the Parties both understand that this vision will not be achieved unless the City has available to it the use of certain incentives to help both offset the added costs associated with the NCA District's development types, as well as to help fund the needed public infrastructure improvements required to serve the NCA District; and

WHEREAS, to compensate the School District for certain of the tax revenue that the School District would have received had the private improvements to the NCA District not been exempted from taxation by the City pursuant to Section 5709.40 of the Ohio Revised Code, the Parties have determined to enter into this Agreement, which Agreement is in the vital and best interest of the School District and will improve the health, safety and welfare of the School District; and

[WHEREAS, pursuant to Resolution No. ____ adopted on _____, 2025, the Board of Education of the School District has authorized the execution of this Agreement; and]¹

WHEREAS, pursuant to Resolution No. ____ adopted on _____, 2025, the Board of Trustees of the NCA has authorized the execution of this Agreement;

¹ NTD: School District to determine whether it needs School Board approval for this Agreement.

NOW THEREFORE, the NCA and the School District covenant, agree and obligate themselves as follows:

Section 1. Definitions. In addition to terms defined elsewhere in this Agreement, as used herein, the following terms shall have the meanings assigned to them as follows:

“Assessed Valuation” for a Chargeable Parcel has the meaning assigned to it in the Declaration encumbering that Chargeable Parcel.

“Chargeable Parcel” means each parcel of real property that is a “Chargeable Parcel” as defined in the Declaration encumbering that parcel.

“Collection Year” means the calendar year following each Tax Year in which the real property taxes levied for a Tax Year are collected by Delaware County and distributed to taxing subdivisions.

“Community Development Charges” means any “Community Development Charge” (as defined in each Declaration) determined and collected on the basis of Assessed Valuation, but excluding any “Supplemental Charge” as defined in a Declaration.

“Declaration” means, individually, each declaration of covenants referred to in Section 349.07 of the Ohio Revised Code that is executed by a property owner in favor of the NCA and recorded in the Delaware County official records and, collectively, all such declarations of covenants.

“NCA District” means the geographical area included in the NCA’s new community district, as approved by City Council from time to time.

“School Charge” has the meaning assigned to it in Section 2(a).

“School Charge Payment” means for any Settlement Period, the Total Charge Collections received by the NCA during that Settlement Period multiplied by the School Charge Percentage for the then current Collection Year. For example, if Total Charge Collections for a January 1 through June 30 Settlement Period are \$200,000 and the School Charge Percentage for that Collection Year is 37.5%, then the School Charge Payment payable on July 15 would be \$75,000.

“School Charge Percentage” means, for any Collection Year, the amount equal to the Total School Charge Levied divided by the Total Charge Levied, expressed as a percentage. For example, if the Total School Charge Levied for collection during a Collection Year is \$150,000, and the Total Charge Levied for collection during a Collection Year is \$400,000, the School Charge Percentage for that Collection Year is 37.5%.

“Settlement Period” means each January 1 through June 30 period and each July 1 through December 31 period.

“Tax Year” means each calendar year for which real property taxes are levied.

“TIF Parcel” means, with respect to each Tax Year, a Chargeable Parcel that satisfies all of the following: (a) the Chargeable parcel contains non-age restricted residential units, and (b) real property taxes for the Chargeable Parcel are or will be exempted from taxation pursuant to Section 5709.40 of the Ohio Revised Code.

“Total Charge Collections” means the total Community Development Charges received by the NCA during a Settlement Period.

“Total Charge Levied” means the total Community Development Charges levied by the NCA for collection during a Collection Year.

“Total School Charge Levied” means the total School Charges levied by the NCA for collection during a Collection Year.

Section 2. Levy, Collection and Payment of School Charges to the School District.

(a)For each Tax Year that a Chargeable Parcel is a TIF Parcel, the NCA shall levy a Community Development Charge for collection from that Chargeable Parcel in the minimum amount of 1.5 mills on the Assessed Valuation of that Chargeable Parcel pursuant to the Declaration for that Chargeable Parcel (the “School Charge”).

(b)The NCA shall use commercially reasonable efforts to collect the School Charge from the applicable Chargeable Parcels. Certification of the School Charge for a Tax Year to the Delaware County Auditor for collection in the corresponding Collection Year shall constitute commercially reasonable collection efforts.

(c)The NCA shall pay to the School District on or before each June 15 the School Charge Payment for the preceding December 1 through May 31 Settlement Period, and on or before each December 15 the School Charge Payment for the preceding June 1 through November 30 Settlement Period.

(d)The NCA’s obligation to remit the School Charge Payments is limited to the Community Development Charges actually received by the NCA during a Collection Year. In no case shall the NCA be required to use other funds to satisfy its obligations under this Agreement.

(e)Beginning with the tenth anniversary of this Agreement, School Charge Payments shall not be due with respect to any Tax Year where there are no Chargeable Parcels exempt from taxation pursuant an ordinance adopted pursuant to Section 5709.40 of the Ohio Revised Code that did not specify that the payments in lieu of taxes from such Chargeable Parcel provided for in Section 5709.42 of the Ohio Revised Code shall be paid to the School District in the amount of the taxes that would have been payable to the School District if the improvements had not been exempted from taxation, as provided in Section 5709.40(D) of the Ohio Revised Code (e.g. no School Charge Payments if there are no active School TIFs).

Section 3. Miscellaneous.

In case such action is not taken or not diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the aggrieved non-defaulting Party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including, but not limited to, proceedings to compel specific performance by the defaulting Party.

(g) Executed Counterparts. This Agreement may be executed in several counterparts (including electronically executed or transmitted counterparts), each of which shall be deemed to constitute an original, but all of which together shall constitute but one and the same instrument. (k) Limit on Liability. Notwithstanding any clause or provision of this Agreement to the contrary, in no event shall NCA or the School District be liable to each other for punitive, special, consequential, or indirect damages of any type and regardless of whether such damages are claimed under contract, tort (including negligence and strict liability) or any other theory of law.

The failure of any Party to insist at any time upon the strict observance or performance of any of the provisions of this Agreement or to exercise any right or remedy as provided in this Agreement shall not impair any such right or remedy or be construed as a waiver or relinquishment thereof. Every right and remedy given by this Agreement to the Parties hereto may be exercised from time to time and as often as may be deemed expedient by the parties hereto, as the case may be.

(n) Ohio Laws. (p) Severability. If any provision of this Agreement, or any covenant, obligation or agreement contained herein is determined by a court to be invalid or unenforceable, that determination shall not affect any other provision, covenant, obligation or agreement, each of which shall be construed and enforced as if the invalid or unenforceable portion were not contained herein.
