

VUES Book Fair

November 10th - 14th

Family Shopping Event on Nov. 12th from 3-5:30

A great selection of books will be for sale at the VUES Book Fair. The goal of this fair is to promote reading and to raise funds for library books and special programs. Students will visit the fair during the school day. Families can shop during our Family Event or online, at

<https://bookfairs.scholastic.com/bf/vergennesunionelemschool442>

All students will have the opportunity to choose one free book from the Fair, courtesy of the Vergennes Rotary Club, facilitated by our VUES Community Group. Additionally, families may send students to school with cash in an envelope or set up an eWallet for students.

A quick note about Book Fair purchases

We know how exciting the Book Fair can be! Please note that all **non-book items** (such as posters, pencils, bookmarks, and other small trinkets) will be placed **directly into students' backpacks** after purchase. We kindly ask that these items **stay at home** once they've been bought, so they don't get lost or become a distraction at school.

Volunteers Needed for the Family Shopping Event! Please email afoley@anwsd.org if you would like to help.
