Addendum No. 1

The following response addresses question(s) submitted by vendor(s) on October 30, 2025; responses to the questions are indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at purchasing@smsd.org as soon as possible.

1. Regarding this item on Exhibit B: "The ability to provide customized utilities that meet the needs of District users" – Could you please advise what utilities your district users need? Do your district users have any specific needs or are you just asking if we have pre-built utilities that meet users' needs?

   To clarify, the District has a need for pre-built utilities AND the ability to customize utilities and/or create its own utilities, as needed.
