

YUBA COUNTY OFFICE OF EDUCATION
Certificated Job Description

SPEECH AND LANGUAGE PATHOLOGIST

DEFINITION:

Under the direction of the assigned Program Principal or designee, the Speech and Language Pathologist is responsible to provide specialized instruction and services for students with language and speech disorders; assists in developing the Individualized Educational Program (IEP) for students and consults and collaborates with teachers and parents, and performs other related duties as assigned by supervisor.

DIRECTLY RESPONSIBLE TO:

Principal or designee

SUPERVISION OVER:

None; provide assistance and guidance to other staff.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Provides speech therapy services, individually or in small groups, designed to address speech and language goals for students in grades Pre-K–12.
- Attends related IEPs and planning meetings for individual students, providing expertise as needed in the area of speech and language disorders, as well as input on student performance and recommendations for the interventions in the area of speech and language development.
- Completes required student documentation, assessments, progress reports, and evaluations following State and federal guidelines in order to develop legally compliant evaluation reports and IEPs.
- Consults with teachers and parents regarding typical speech/language development (including hearing, voice, and fluency), classroom modifications and/or accommodations, and assists in the referral process if necessary.
- Communicate with and assist SLPAs and para educator(s).
- Provides assistance in total communication: sign language, AAC, and other non-verbal forms of communications.
- Participates as an IEP, 504, or SST team member and follows the IEP, SST, or 504 plans, provides the appropriate support and works with the case carriers, counselors, and coordinators to develop the best program for identified students.
- Participating in required school and district-sponsored professional development activities.
- Develops and maintains caseload for Medi-Cal billing, scans and uploads data monitoring to online billing service.
- Maintains professional competence through in-service education activities provided by YCOE and/or appropriate professional growth activities through attendance to speech language pathology related conferences and workshops.
