

# Gould

Dear Gould Alumni,

We are excited to share some news about the future of Alumni Weekends at Gould. Beginning in 2026, we will move to a biennial reunion model, hosting Alumni Weekend every two years. This change allows us to bring together multiple class years—creating larger, more dynamic gatherings that strengthen connections across generations of Gould graduates.

This new approach is quickly becoming the norm among independent schools and colleges, and the results are impressive—greater participation, renewed energy, and stronger engagement among alumni communities. We’ve already seen tremendous success with our clustered 50th Reunion celebrations over the past four years, and we’re thrilled to extend this model to all reunion classes.

Beginning in 2026, we’ll celebrate the following class clusters:

Year	Class Years Celebrated	Milestone Reunions
2026	Classes ending in 1,2,6,7	50th: 1976 & 1977 25th: 2001 & 2002 10th: 2016 & 2017 5th: 2021& 2022
