Life is a Puzzle, King Students Pledge to Solve it Drug Free

Students were fully engaged in Red Ribbon Week activities, celebrating the theme of living drug-free! To kick off the week, the King PTA decorated the campus with bright red ribbons. Throughout the week, students dressed in red. Demonstrated that "drugs are crazy" with their wild hair, "put drugs to rest" in cozy pajamas, and "teamed up against drugs" by wearing their favorite team jerseys. Upper-grade students discussed the consequences of drug use, and students wrote pledges to remain drug-free for life. The week wrapped up with the Student Advisory Committee judging the Poster Decorating Contest. Congratulations to primary rooms 12 and 19 for a tie for first place, and to 30 for taking first place in the upper grades! It was truly an inspirational week.
