School Health Advisory Council Meeting Minutes 10/20/2025

-Meeting start time – 4:50 p.m.

Opening Statements:

- Meeting called to order by Sara Humphrey, KISD Healthcare Coordinator
- Prior meeting minutes were presented
- Prior Health Legislation changes 25-26 school year
    - Code Red Team Requirement
    - CPR Certified Medical Response members
    - Choking Rescue Devices on all Campuses - Mounted in cafeteria, wildcat stadium
    - Continue discussions with Devlin about bringing TCPH to present educational programs for students

5:00pm Welcome to SHAC/ Round table hello/ How can we get more attendance:

- What we currently do:
    - Post flyers at the district building 72 hours prior to meetings
    - ParentSquare notifications sent out
    - Jordan Dunlap posts on KISD social media pages
- Creating a mission statement so the public better understands what our group stands for and is trying to accomplish
- Presenting SHAC at the school board meetings to parents in attendance.

5:05pm Parent Input

- Parent was in favor of bringing more vaping education and programs showing student's the dangers of vaping due to prevalence she has heard of from her own students
- October 23rd the HS has a presenter coming to speak to students
- Humphrey is in contact with Devlin on how early we can implement this education to potentially get ahead of the problem by
- Suggestion was made for the DARE program.
- Narcan is available on all campuses
- Hoping TCPH can come to present not only vaping education but a holistic health presentation

5:10 Q & A:

- Are there any discussions at the schools especially now around Halloween about candy and safety during Trick or Treating?

    - JAA - Officer Button will be coming to present on October 30th on dangers of Trick or Treating and safety tips
    - Humphrey will talk to Officer Millikin about a message that can be sent out via ParentSquare
    - Humphrey will see if KPD can send out an officer to campuses to discuss stranger awareness and safety to students

- Nurse Knotts shared that she notices that the students seem to listen more intently and respond better when HS students speak to them. Would it be possible to bring HS students to the campuses to try and educate the younger students?

    - Humphrey will discuss possible health tips the high school students can present in classrooms when they visit campuses

5:25 Round Table Goodbye

- Next meeting date - Monday, December 15th
- Goal: More student and parent involvement in future meetings

-5:27 p.m. Meeting adjourned per Sara Humphrey RN
