Contact Staff at Your School Who Can Help You

Teachers

The best way for parents to contact their student's teacher is to email them. Teachers can also be contacted by sending them a message via:

- Infinite Campus Parent Portal
- ClassDojo (Elementary Schools)
- Remind (Secondary Schools)

Counselors / Social Workers

School Counselors and social workers are here to support your child's academic, career and social-emotional needs. They are available to provide assistance with removing any barriers your child may be experiencing.

Secretaries

The secretary is typically the first person you will see when entering the building and will also be the last you see as you leave or sign out.

- First point of contact at the school
- Schedules / Meetings
- Records

School Nurses

School nurses help students understand typical growth and development. They actively work with both the medical and educational communities to promote each student's optimal level of physical, mental and social wellness.
