VII. LEAVE

A. Sick Leave

1. Each full-time teacher is allowed not more than ten (10) sick days each year for absence without loss of compensation due to personal illness rendering the teacher physically or emotionally unfit to perform teaching duties. The ten (10) sick days awarded each school year may be used for the purpose of caring for an ill family member as defined by Article VII (C) [Funeral Leave]. If the ten (10) sick days awarded for the current school year have been exhausted, then not more than an aggregate of fifteen (15) sick leave days accumulated from a prior school year may be used for the purpose of caring for an ill family member.
2. Unused sick leave days credited to a teacher may be accumulated yearly, not to

exceed 185 days. School employees accumulating more than 185 accumulated sick days at the end of the school year will be compensated for accumulated sick days in excess of 185 accumulated sick days at the rate of \$115.00 per day for each unused sick leave day in excess of 185 either in cash or by a contribution to such school employee's 401(a) account. Such payment or contribution shall be made at the first normal pay in July immediately following such school year.

3. If any teacher shall have accumulated one (1) or more days of sick leave while employed in another school corporation and shall thereupon become employed by the Crawfordsville Community School Corporation, then there shall be added for the second year and each succeeding year of such employment up to three (3) days of sick leave until the number of accumulated days to which said teacher was entitled in the last place of employment shall be exhausted.
4. A teacher shall notify the teacher's building principal or his designee as soon as possible of personal illness or quarantine. Such notification should be no later than one hour preceding the beginning of the normal teacher's work day of the day of such absence.

B. Personal Business Leave

1. Each full-time teacher shall earn four (4) personal business days per year without loss of compensation. At the end of each school year, a teacher's unused personal leave days shall be added to that teacher's accumulated unused sick days.
2. A teacher shall request personal business leave at least forty-eight (48) hours preceding the day of absence of personal leave. However, the building principal or designee may waive such 48 hours prior request when the teacher presents reasons for and facts establishing good cause or an emergency precluding such notification. Emergency shall be interpreted as a sudden, generally unexpected occurrence or set of circumstances that have occurred suddenly, for which advance planning was not possible, and which demands immediate attention.
3. Personal business leave may not be used for the purpose of extending vacation periods or abbreviating the school year. Teachers who feel a situation of great enough importance to seek an exception will state those reasons in writing and directly to the Superintendent of Schools at least thirty (30) days preceding the day

of absence of personal leave, who may consider situations such as weddings, retirements, college visitations, graduations, and religious ceremonies. However, the Superintendent may waive such a 30-day prior request when the teacher presents reasons for and facts establishing good cause or an emergency precluding such notifications.

C. Bereavement and Funeral Leave

1. Bereavement Leave: Each teacher shall be entitled to be absent from work on account of a death in the immediate family for a period extending no more than three (3) working days without loss of compensation. This leave begins the first working day following the day of death. Immediate family, in this case, shall be interpreted as a spouse, child (including a foster child living in the home), father, mother, brother, sister, father-in-law, mother-in law, grandparent, grandchild, or any other relative who at the time of death is living as a member of the household of the teacher or for whom the teacher is legal guardian.
 - a) Upon the teacher's request prior to such absence, the Superintendent of Schools may authorize up to two (2) additional days of leave for bereavement, any business connected with the death, or estate matters as the need for such is demonstrated. The Superintendent's determination is final and not subject to any grievance.
2. Funeral Leave: Each teacher shall be entitled to be absent from work to attend a funeral or celebration of life without loss of compensation for a period extending no more than two (2) working days due to a death of the teacher's extended family or immediate family. Extended family, in this case, shall be interpreted as an uncle, aunt, first cousin, niece, nephew, grandparent-in-law, brother-in-law, or sister-in-law.
3. If more than one such death occurs during the school year, the above leave provisions shall apply in each instance.

D. Parental Leave

1. The school employer will grant a leave of absence with pay for up to ten (10) school days during the first forty (40) school days following the date a child is born to or adopted by a school employee.

E. Maternity Leave

1. Any school employee who is pregnant shall be granted a leave of absence any time between the commencement of her pregnancy and one (1) year following the birth of the child if she notifies the superintendent of school employer at least thirty (30) days before the date on which she wishes to start her leave. She shall notify such superintendent of the expected length of this leave, including with this notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable.
2. In the case of a medical emergency caused by pregnancy, the school employee shall be granted a leave, as otherwise provided by this paragraph, immediately on her request and the certification of the emergency from an attending physician. All or part of a leave taken by a school employee because of a temporary disability caused by pregnancy may be charged, at her discretion, to her available sick days.

F. Jury Duty Leave

1. School employees subpoenaed for jury duty shall continue to draw full pay, provided the teacher agrees to return all jury duty pay to the employer, excluding reimbursement for expenses and mileage.

G. Defense Service Leave

1. School employees called up for short-term military duty of thirty (30) days or less shall be entitled to a paid leave while serving such short-term military duty, i.e., duty of less than thirty (30) calendar days during each school year.

Life Insurance: The school employer agrees to make available and pay, except twenty cents (\$.20) of the annual premium cost of a Seventy-five Thousand Dollars (\$75,000) group term life insurance for each school employee (hereinafter called "teacher" for purposes of Article VIII). The school employer will select the insurance carrier. The school employer will provide, upon written authorization of the teacher desiring the same, payroll deductions for the twenty cents (\$.20) balance of the annual premium to be paid by such teacher. If permitted by the carrier, retirees shall be allowed to continue coverage at their own expense to age 65. Coverage beyond age 65 shall be at the option of the carrier and paid by the retiree.

B. Hospitalization: The school employer agrees to obtain and make available a medical and hospitalization plan ("Plan") in which each full-time teacher and each qualified retired teacher may participate. A qualified retired teacher is one who is eligible for retirement benefits under the Indiana Public Retirement System (INPRS), but who is ineligible for Medicare benefits. The School employer will notify eligible teachers by emailing each teacher through the school's corporate email system at least ten (10) days before the annual open-enrollment period begins.

1. The school employer will contribute \$8,242 of the premium of the health insurance plan for each enrolled teacher, except as provided in paragraph 3 below.
2. The School Employer will contribute an additional \$2,000 toward premiums for Employees who have selected either family high deductible plans (non-PPO plans). When both spouses are employed by the School Employer, this additional premium support will not apply since both parties receive the teacher premium support.
3. Each qualified retired school employee who retires shall be responsible to pay all premiums attributable to the coverage of such retired school employee under the plan.
4. For those teachers electing to participate, deductions for hospitalization insurance will be made according to the provisions of Section 125 of the Internal Revenue Code; all administrative costs attributable to providing the administration of such Section 125 benefits will be the responsibility of the school employer. Such Section 125 plan shall include, if elected by qualified participants, non-reimbursable medical and dependent care deductions.
5. CCSC is a member of the Hoosier Heartland School Trust (HHST) and makes health insurance benefits available through that trust. Rates, benefits, and enrollment are governed by HHST.
6. Upon the commencement of a leave of absence, the School Employer's contribution to the premium cost of health insurance coverage will continue through the end of the leave, provided that the employee's share of the premium has been withheld for the following month or the employee has paid the employee's share of the premiums for the following month. This provision is subject to the following conditions:
 - a. The School Employer's contribution shall end with the end of the school year

contract year, and

- b. In no case shall the School Employer's contribution extend beyond a twelve-month period.
- c. Long Term Disability: The Board shall provide a group long term disability insurance plan with each teacher paying one dollar (\$1.00) per year. All school employees shall participate and be insured for group long term disability insurance benefits provided by the Board. The insurance carrier will be selected by the Board.

For certified employees participating in a 401(a) Plan with an employer's match, the employer will match the certified employee's school year contribution as follows:

In the event that a certified employee elects to not contribute \$528 the CCSC will also not contribute. The parties further agree that all contributions made to the CCSC 401(a) Plan by

the school employer shall be considered as additional funds and counted as part of any salary increase negotiated for the certified employees.

All certified employees will be vested 100% upon the completion of the fifth consecutive year of teaching in Crawfordsville Community Schools.

The purpose of this bank is to relieve participating employees from undue financial burdens due to absence from work during short-term disability arising from illness, injury, or incapacitation sufficiently severe that it would make their presence in school inadvisable.

The bank will be established in the following way: On or before September 15 of each school year, employees who wish to participate will be given the opportunity to contribute, on a voluntary basis, not more than one (1) sick day from their accumulation. do so oneself.

Sick leave bank days beyond doctor-certified post-delivery disability for the purpose of child rearing or child care are not covered by the sick leave bank.

Members will make the determination of the award of the sick leave bank committee in accordance with the Sick Leave Bank Guidelines. Days awarded will begin immediately upon the exhaustion of all individual sick and personal leave days. The bank will be administered completely by a committee with five (5) teacher members appointed by the CEA President, the Superintendent or Assistant Superintendent, and three members appointed by the Superintendent or Assistant Superintendent. The committee will be fully responsible for the operation of the sick leave bank. The committee will elect its own chairman. Participation in the Sick Leave Bank will be open equally to all full-time school employees and current members of the sick bank of the Crawfordsville Community School Corporation.

Portions of this provision unrelated to wages are the school's policy, were not bargained, and are included for informational purposes only.
- G. At the end of each semester, each teacher will receive a payment of \$50 for each case conference that lasted at least thirty (30) minutes beyond the normal teacher workday. In the event an accusation is made against a school employee to law enforcement officials by a student, parent of a student, law enforcement official, or social services caseworker alleging that such school employee committed a criminal act during the course of the performance of duties as a school employee and such alleged act, if true could result in prosecution of such school employee but school employee denies the accusation, school employer will reimburse the affected school employee up to \$500.00 for legal expenses reasonably incurred by school employee during the six (6) month period following such accusation for attorney services rendered in defending school employee against such allegations.

Reimbursement shall be made upon approval of the claim after the school employee's delivery of Standard Claim Form 505 to the school employer with a supporting affidavit by the attorney involved that the amount claimed was incurred for reimbursable legal services. Step Three:
