 - Mrs. Belk attended district training in August. This year, UCPS provided guidance around the creation of plans to ensure alignment across schools.
 - The district required us to focus on two indicators: A4.01 and C3.04
 - Each school could choose between A2.04, C2.01, D1.02, and E1.06-We chose A2.04
 - A2.04- Instructional Teams develop standards-aligned units of instruction for each subject and grade level.

- D1.02- The LEA/School has aligned resource allocation (money, time, human resources) within each school's instructional priorities.
- C2.01- The LEA/School regularly looks at school performance data and aggregated classroom observation data and uses that data to make decisions about school improvement and professional development needs.
- E1.06- The school regularly communicates with parents/guardians about its expectations of them and the importance of the curriculum of the home (what parents can do at home to support their children's learning).
- For each indicator, a current implementation and vision statement was written.
- Next Steps with our plan:
 - We need to create 2-4 action steps for each of the three indicators
