Delphos Preschool

Special thanks to Cory & Amy Osting & Family
for the donation of pumpkins for the preschoolers!
Each preschooler was able to decorate and
take a pumpkin home to share with their family.
The preschoolers also were able to use a few
pumpkins during their fall activities.

**THANK
YOU**

Franklin Elementary

Franklin announced their September Students of the Month. Congratulations to Everly Anderson, Carson Dudgeon, Rhett McCormick, Lincoln Schleeter, Levi Hoffman, Cohen Poling, Tyson Jettinghoff, Naomi Phillips, Maverick Buettner, Brayla Kruse, Max Trentman, Aizen Donaldson, Larkyn Brenneman, Tobias Bradshaw, Hannah Wheeler, Piper Finn, Maggie Redmon, Austin McDaniel, and Liam Short.

Franklin has started a 6 week after school STEM program. Students have worked together and used problem solving skills to help design roller coasters, paper airplanes, and make boats that float!

Beginnergarten and Kindergarten took a trip to Lincoln Ridge farms where students got to learn how pumpkins grow and pick out their own pumpkin.

Fall activities are in full swing at Franklin. You can find fun apple and pumpkin activities all around the building. Students celebrated Fire Safety Month with visits from the Delphos Fire Department. Firefighters read books to students and some students even got to test out the fire hose!

Delphos Middle School

Mrs. Koester's 8th Grade ELA students recently hosted a Narrative Booklet Celebration. They invited Parents, Grandparents, and other family members to the DJMS gymnasium to highlight their incredible life stories and connect generations. The 150 people who attended enjoyed a light lunch catered by Lee's Famous Recipe. Great job Mrs. Koester, Great Job 8th Graders, Great Job---and---Thank You Parents, Grandparents, and Family Members!

Mr. Lindeman's crossnet prowess was on full display at DJMS vs the 8th graders.

Jefferson Graduate Rachel Ryan gave a presentation to Mr. Rahrig's 5th grade science classes today. Miss Ryan also works at the Toledo Zoo so she spoke about endangered species, conservation of wildlife, and what students can do to help protect endangered animals. She also spoke about the animals at the Toledo Zoo and some of her tasks and responsibilities at the zoo.

Delphos Jefferson High School

The Seniors took a trip to Vandemark Farms in Sidney,

The High School has been busy with activity. From Homecoming , Senior Trip, Mental Health Awareness, and Halloween fun.
