Introduction

It is the responsibility of the head of centre to ensure that Sydenham School has in place for inspection a written conflicts of interest policy that must be reviewed and updated annually. This policy confirms that Sydenham School:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Sydenham School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to Collect declaration of interest from All Centre staff who meet the criteria to identify and manage any potential conflict of interest

Declaration process

Declaration of interest form is published in School Staff Bulletin the week commencing 1st September and 1st January. Completed forms must be returned to Exam Officer, A. Marczak before 1st October and 1st February by email.

Managing conflicts of interest

A conflicts of interest log is maintained and any potential conflict declared by centre staff is centrally recorded on the log. The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process. The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols.
