SCHOOL *of the* ARTS

THE TEAM

A group of eight diverse professionals, four men and four women, are posed in two rows. The front row consists of four people sitting on a bench, and the back row consists of four people standing behind them. They are all smiling and dressed in business-casual attire. The background is a modern office hallway with glass walls and recessed lighting.

# Story of PISOTA

## *mission*

Phoenix International School of the Arts (PISOTA) inspires and prepares the next generation of global artists, innovators, leaders, and scholars to use their intrinsic gifts to make the world a better place. PISOTA provides a supportive learning community that promotes creative exploration, global competence and bilingualism, holistic wellness, learning enriched by real-world experiences, and access to experts - all combined with arts-integrated teaching practices, inquiry-based international curriculum, and the latest in technology and innovation.

-  *The first-approved public charter school in Charles County, MD - April 2021*
-  *Opening school year 2023-2024*
-  *School designed with the community through several pilots and design sessions*

PISOTA

**PHOENIX INTERNATIONAL**  
SCHOOL of the ARTS

# What is a Public Charter School?

- ❑ Public school-of-choice, no tuition (no admissions tests to enroll)
- ❑ Lottery-based enrollment due to the smaller school size
- ❑ Mission-specific
- ❑ Accountable to the Maryland State Department of Education, Charles County Board of Education, and the Charles County community
- ❑ Teachers are part of the local teachers union

# Charter Schools in Maryland

- Maryland charter schools are public schools operated by independent nonprofit organizations.
- The charter is awarded by the local board of education and grants the school more operational autonomy than non-charter (traditional) public schools.
- Public charter schools are tuition-free and open to all students.
- LEAs manage the application, renewal, and revocation/closure processes in a similar manner to traditional nonpublic schools, while honoring the autonomy in the respective charter agreements.

# District Oversight

**Family & Comm Support**  
Partnerships with community and families

**Business & Management**  
Financial resources and sound business decision-making

**School Climate**  
Inclusive of staff, families, and students

**Student Services**  
S/E learning, extra-curricular, health services, etc.

**Governance & Mngmt**  
Board composition and competency

**Instructional Programs**  
Educational options and programs

**Operational Compliance**  
Compliance of charter agreement and application

PERSPECTIVES

# KEY DESIGN PILLARS

- Excellence in A3: Academics, Arts Instruction + Arts Integration

- Global Competence, Leadership and Bilingualism

- Mental Health and Holistic Wellness

- Real-World Experience and Access to Experts

- Community Uplift

# OVERVIEW: MISSION + VISION

## MISSION

Inspire and prepare the next generation of global artists, scholars, innovators, and changemakers to use their intrinsic gifts to make the world a better place. For 6th - 12th grade students in Charles County, MD. PISOTA will provide a supportive learning community that promotes creative exploration, global competence and bilingualism, holistic wellness, learning enriched by real-world experiences, and access to experts - all combined with arts integrated teaching practices, an inquiry-based international curriculum, and the latest in technology and innovation.

## VISION

We envision a generation of informed and highly capable youth taking equal stake in the global economy and community no matter their background. We believe in youth rising above their circumstances and soaring to their greatest potential.

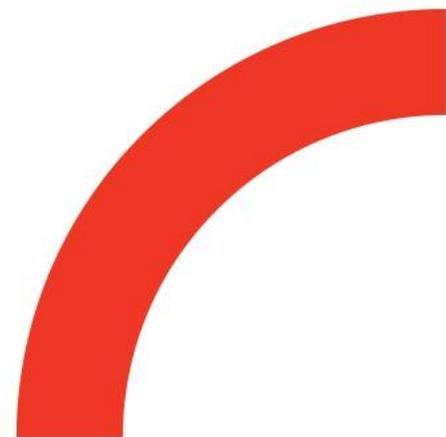

**WE RISE.**

## PISOTA CURRICULUM

Our core subject curriculum is Cambridge International Curriculum.

### Key Curricular Components

Project-based

Active collaboration

Inquiry-driven

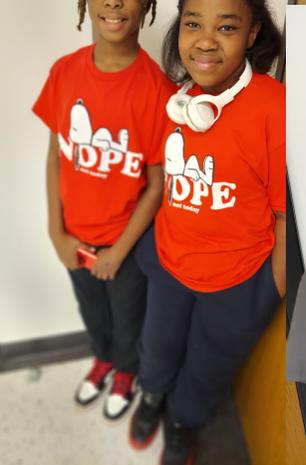

Focus on Habits of Character

### Cambridge International School

- ❑ Differentiation to support all learners
- ❑ Prepares students for high school and meets Charles County Public Schools' curriculum requirements
- ❑ Support for multilingual learners

# Twice Exceptional & Neurodivergent Learners

Special Education services are offered through Charles County Public Schools. PISOTA's vision for inclusion of all student groups is that **every student**, no matter their learning needs, background, and prior academic attainment, have the full range of services and support that they need to achieve academic excellence and thrive as a person, professional, and beneficent community member.

# Arts at PISOTA

PISOTA approaches school through a critical arts lens at a significant transition point in youth development - pre-adolescence - by leveraging artistic expression as a transformative tool for learning, healing, and social change. Key aspects include:

## **Pedagogical Framework:**

- Arts integration across core subjects enhances cognitive development and critical thinking

## **Healing and Wellbeing:**

- Creative expression builds resilience and positive self-concept
- Collective art experiences foster belonging and peer support

## **Academic Impact:**

- Higher engagement and attendance in arts-integrated programs
- Improved performance across subjects, particularly reading and math
- Enhanced executive function and memory through multimodal learning

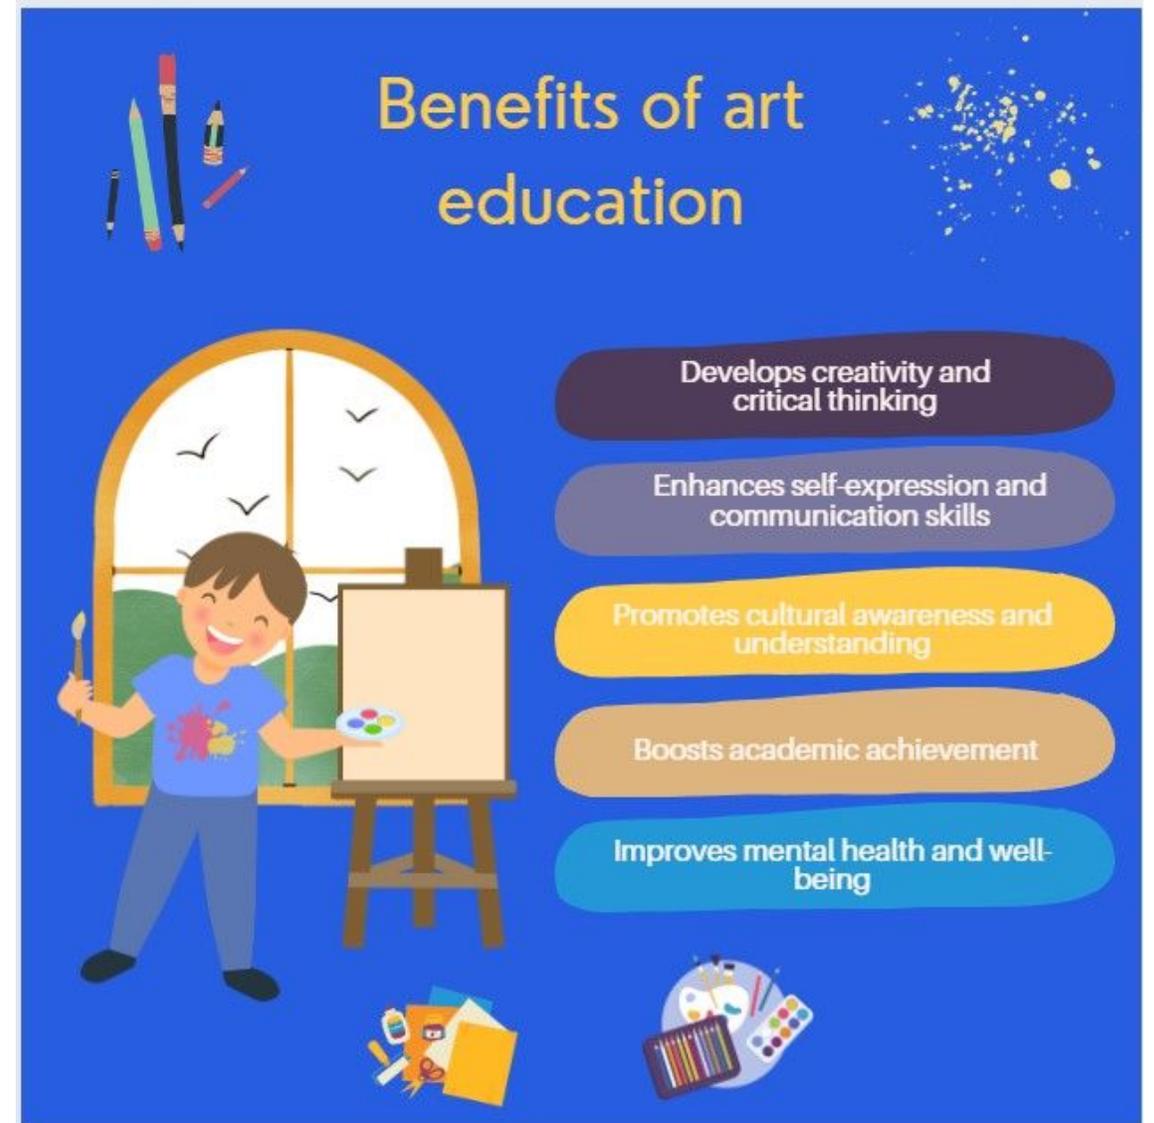

## **Social Justice Applications:**

- Art as tool for examining power structures and inequities
- Student-led creative activism addressing community challenges

This approach frames arts not just as subjects to study, but as essential practices for personal growth, academic achievement, and social transformation.

# Arts Pathways at PISOTA

1. Visual Art (focus on drawing, art history, and digital art)
2. Dance (all genres)
3. Theatre (intro to theatre, acting, stage production)
4. Instrumental Music - band and orchestra (band, music theory, keyboarding)

ENROLLMENT

# Enrollment Information

# Enrollment: Important Dates

Enrollment at Phoenix International School of the Arts is based on a fair and equitable system that provides for an Open Enrollment period; a lottery, if necessary; and a waiting list.

## SY 2026 - 2027

- **Open Enrollment Period** - Oct. 21, 2025 at Noon - Nov. 24, 2025 at Noon

The Open Enrollment period is a designated period prior to the start of each school year when parents/guardians can complete an enrollment application for each new scholar desiring to attend PISOTA.

- **Waiting List Opens** - Nov. 24, 2025 at 12:01 PM EST

Applicants who are not randomly selected for enrollment through the lottery process will be placed on a grade-specific waitlist based on the lottery results.

- **Lottery (if needed)** - Dec. 11, 2025

The lottery is an electronic system that randomly identifies students for enrollment.

- **Lottery Offers Close** - Dec. 29, 2025

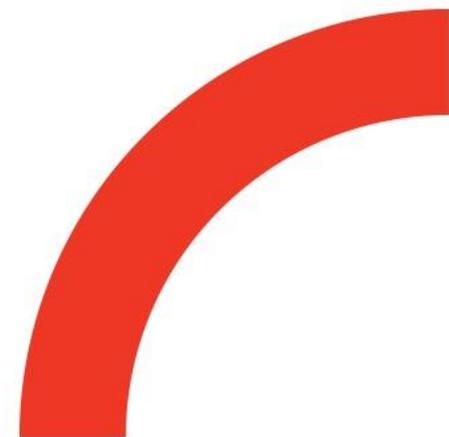

Families selected through the digital lottery, must accept their spot by February 9, 2025 prior to 11:59 PM. After this date, the lottery offers will close and the families on the waiting list will begin receiving offers on a first come, first served basis.

# Enrollment: Placement Auditions + Portfolio Review

**To aid in the class schedule creation process and to ensure scholars are placed in the correct level for their arts pathway courses, we are implementing placement evaluations and portfolio reviews.**

- Who is this for? Scholars selected in the lottery
- When? Appointments will be scheduled beginning Jan. 25 - Feb. 22
- Instrumental, Vocal, Acting, and Dance will complete a performance evaluation
- Visual Art will complete a written survey and portfolio review
- Additional details about what to prepare will be emailed to all applicants
