

Summer—Final Steps!

Orientation

- ☐ Attend orientation; at orientation, you will register for your classes; you may also take English, math or world language assessments

Paperwork and Payments

- ☐ Check your college email account and log into your college's student portal every few days for important notices for new students
- ☐ Download your college's health forms and see your doctor; colleges may require evidence of immunizations
- ☐ Most four-year colleges require students to have health insurance, so you may see it on your fall bill; if you don't want it, you must opt out
- ☐ Research tuition payment options—tuition payments are due at the beginning of the term
- ☐ Search your student portal for "FERPA waiver" and submit a completed form to your college if you want your parents/guardians to access your student account (bill, grades, etc.)
- ☐ Ask your high school to send your final transcript to your college

College Finances

- ☐ Work and save money for college
- ☐ Make a budget with your parents/guardians (www.ecmc.org/studentseducators/student-resources/financial-awareness-basics-fab)
- ☐ View your class syllabus for required textbooks; consider buying used books, which cost less than new; you may also be able to save money by shopping for books online, downloading PDFs, buying e-books or renting books
- ☐ Some college instructors/institutions have shifted to open educational resources (OERs). OERs are learning, teaching and research materials that are in the public domain, making them available at no cost and accessible for a wider audience. Here are a few resources to explore: the University of Minnesota Open Textbook Library (<https://open.umn.edu/opentextbooks>), OER Commons (<https://oercommons.org/>) and OpenStax (<https://openstax.org/>)

Living on Campus

- ☐ Check out a sample packing list and start packing (<https://bigfuture.collegeboard.org/plan-for-college/after-youve-applied/off-to-college-checklist>)
- ☐ Consider creating a roommate agreement (www.collegexpress.com/articles-and-advice/student-life/articles/living-campus/how-make-your-own-college-roommate-agreement)
- ☐ Set expectations on how and when you will communicate with your family while away at college
- ☐ Make any necessary travel arrangements; buy travel tickets (plane, train, bus) and make hotel reservations early (if necessary)

Living at Home

- ☐ Develop boundaries with your family and let them know that your first obligation is your studies, so you're not available while at school
- ☐ Identify a study space at home

Support

- ☐ Search your college website for academic advising or counseling services to learn more about these free resources available to you; www.activeminds.org is another free resource used to help yourself or your friends with topics related to mental health
- ☐ Check your student portal or college website so you don't miss out on any virtual or local welcome events for students before classes start
- ☐ Send thank-you notes to everyone who helped in your college process, such as counselors and teachers who wrote letters of recommendation and scholarship providers who provided you funding for college
