

How Government and Public Stereotypes Shape Hispanic Deportations and Economic Impact Under Obama and Trump

- Deportations are a commonly used tactic and topic in politics
- I plan to solely focus on specific presidents as well as isolate immigration for a pure analysis
 - majority of research looks at the overall economy during one specific president
- **Quantitative:** Deportation numbers, economic metrics
- **Qualitative:** rhetoric, political insight

TRUMP	OBAMA
Deported less people (1.5 mil in 1st term)	Deported more people (5.3 mil total)
