ELEVATE 2030

Exceptional Faith, Extraordinary Futures

St. Pius X Catholic High School • Five Year Strategic Plan

Our Core Values

Faith

"Faith is the foundation of all that we do."

Family

"Family is the heart of who we are."

Stewardship

"We live with gratitude and give generously for the greater good."

Rigor

"We prepare students for academic excellence and college success."

Growth

"Students grow into their full potential– academically, spiritually, and personally."

The Four Strategic Priorities

Inspiring Excellence:
Empowering Educators, Transforming Lives

Initiatives:

- Improve teacher recruitment and retention to ensure our faculty continues to provide the highest level of education and formation for students.
- Explore online and summer course offerings to allow our students greater academic flexibility.
- Support students' emotional, academic, and spiritual well-being through expanded counseling and college services.

Building Community:
Forming Leaders, Inspiring Service

Initiatives:

- Incorporate a school-wide service program that develops our Catholic virtues.
- Enrich Campus Ministry retreats and revivals to better serve the entire community.
- Implement a formal Student Leadership Development Certification program to develop leadership in our students.

Igniting Futures:
Expanding Access, Creating Opportunity

Initiatives:

- Expand outreach and marketing efforts to attract and maintain a robust, diverse, and dynamic student body.
- Grow our endowment to a level that provides constant and reliable resources to support the school's mission.
- Increase tuition assistance and scholarships to ensure St. Pius X is an affordable option for families.

Transforming Spaces:
Cultivating Faith, Community, and Possibility

Initiatives:

- Develop a comprehensive Facilities Master Plan to identify and achieve long-term financial and infrastructure needs.
- Establish a daycare service for faculty and staff.
- Embrace the message of Pope Francis' landmark encyclical, *Laudato Si*, a powerful call to care for our environment and our common home.
