CISD Special Board Workshop Meeting

President's Report

November 3, 2025

I would like to remind our community that Election Day is November 4th. We have a contested race for Place 3 on the Board of Trustees and I encourage everyone who hasn't already voted to make your voice heard at the polls.

In addition to the trustee election, Proposition A, the Voter-Approval Tax Ratification Election (also known as a VATRE), is also on the ballot. If approved, Prop A would generate an additional \$4 million dollars annually for our District, and those funds would not be subject to recapture, meaning every dollar stays here in Carroll ISD to support our students and staff.

Over the past 45 days or so, Dr. Glenn and our trustees have hosted 21 town halls across the community to ensure our families and residents are well-informed about the VATRE and what's at stake. I want to thank everyone who attended, asked questions, and helped spread accurate information throughout our District.

I also want to take a moment to celebrate some incredible student achievements. Congratulations again to our Cross Country team for bringing home the State Championship. It is the 11th championship in the last 14 years! Also, a special shoutout to senior Caden Leonard who won the individual State title, which is an amazing accomplishment. Congratulations, Caden.

Lets also congratulate our Dragon Football team on their District Championship. They're 10-0, with the first playoff game coming up in two weeks. We encourage everyone to come out, wear your green, and support our Dragons as they make another playoff run.

Our Lady Dragon Volleyball team are bi-District champs and are also making a run in the playoffs. Congrats to our Lady dragon volleyball team. Lastly, congratulations to our Band, as they are UIL Area Finalists for a record fifth year in a row, so congratulations Mr. Johnson and our awesome band.

Thank you again to our teachers, staff, families, and community for your continued support of Carroll ISD. Together we keep the Dragon Tradition strong!
