MISSION STATEMENT

Pleasant Valley Elementary School will focus on student centered learning and promoting the education of the WHOLE child! We will ALL work together in a collaborative manner to promote student success.

A MESSAGE FROM THE PRINCIPALS

🐻 Happy November! We are incredibly grateful for our amazing faculty, staff, and students. Last month, our PTO Bear Walk raised money which will directly fund programs, activities, and resources for PVE students. We also celebrated Spirit Week and Unity Day, wearing orange to symbolize our stand against bullying. 🐻

This November, we will honor our Veterans with our annual Veterans Day parade. 🇺🇸 We are also collecting food for PVE Families in Need and launching our Toys for Tots fundraiser. The support within the PVE family is truly heartwarming.

As the weather gets colder, please ensure your child comes to school with a coat and hat if needed. If your child is ill and misses school, please send an excuse note to the PVE Main Office. You can email excuses to pveattendance@pvbears.org or send them in your child's folder.

A NOTE FROM THE NURSES

The School Dentist will be here on 11/6 for non-invasive dental examinations for Kindergarten students. Permission forms have been sent home with students.

St. Luke's will be here 12/4 for physical examinations for Kindergarten students, permission forms will be going home shortly if you would like your student to be seen. Reminder all Kindergarten students are required by the state to have a dental and physical examination.

There are still cases of hand, foot and mouth. Please remind your children to continue good hand hygiene as this is a highly contagious virus that typically begins with a fever and sore throat, then progresses to a rash or blisters developing.

Please remember to send your students to school with a full change of clothes as accidents do happen!

Thank you for helping us take care of your students!!

Over the last several weeks the school counselors have begun classroom guidance lessons focused on Social-Emotional Learning (SEL). Our lessons discuss good listening skills, how to identify the feelings of others, how to manage emotions, and problem solving. Recently our lessons have focused on empathy, which is an important skill students need as they develop social-awareness. Empathy is our ability to understand how someone else is feeling or to put ourselves in their shoes. Kindness and compassion are how we show others we care and understand how they are feeling. The holidays are a great time to demonstrate kindness.

Ways to show kindness at school:

- Say good morning
- Smile
- Ask someone to play
- Ask someone if they need help

Ways to show kindness in the community:

- Write a thank you note
- Donate non-perishable items, blankets, etc.
- Give a family member a hug
- Offer to help around the house

No act of kindness, no matter how small, is ever wasted - Aesop
